2.1 As continuing security for the payment or discharge of the Secured Liabilities the Issuer with full title guarantee hereby charges by way of first floating charge to the Trustee for the benefit of the Trustee and the Relevant Security Holders all the Issuer's rights, title and interest, present and future, in and to the Secured Property, provided that if the Secured Liabilities shall be irrevocably and unconditionally paid to and received by the Trustee in full, the Trustee shall at the request and cost of the Issuer release or discharge the Secured Property from the Security.

3. ASSIGNMENT BY WAY OF SECURITY

3.1 As further security for the payment of the Secured Liabilities the Issuer assigns and agrees to assign to the Trustee for the benefit of the Trustee and the Relevant Security Holders by way of security with full title guarantee all its present and future rights, title and interest in each Assigned Agreement, provided that such assignment shall take effect subject to any set-off expressly permitted under the Facility Agreement between the amounts payable under such Facility Agreement and provided further that unless and until the Security is exercised in accordance with the provisions of this Deed, the Issuer may continue to exercise all its powers under each Assigned Agreement in relation to the following matters:

3.1.1 all matters expressed in the Assigned Agreement to be at the option, or subject to the discretion, of the Issuer and the relevant Commodity Contract Counterparty; and

3.1.2 in relation to an Assigned Agreement:

(a) which is a Facility Agreement, all matters relating to the day to day management of the creation or redemption of Commodity Contracts under the Assigned Agreement that require the agreement of the relevant Commodity Contract Counterparty and the Issuer, but which do not relate to the payment obligations of either party under the Assigned Agreement;

The Issuer may amend, vary, modify or supplement (a "**Permitted Variation**") (i) the schedules to any Assigned Agreement which is a Facility Agreement other than schedules 1, 11 and 12, (ii) the definitions of "Eligible Collateral", "Issuer Concentration Limit", "Jurisdiction Limit", "Valuation Percentage" and "Value" in any Assigned Agreement which is a Security Agreement and the Collateral Schedule as defined therein and (iii) any Assigned Agreement which is a Control Agreement, in each case without the consent of the Trustee.

- 3.2 The Issuer undertakes, upon entering into an Assigned Agreement with the Commodity Contract Counterparty that relates in whole or part to the Relevant Pool, to give notice of the assignment referred to in clause 3.1 to such Commodity Contract Counterparty in substantially the form set out in Schedule 1 hereto, and to use its reasonable endeavours to procure that such Commodity Contract Counterparty acknowledges such notice.

4. ENFORCEMENT

- 4.1 The Security shall become enforceable in accordance with this Clause 4 if:

- 4.1.1 a Defaulted Obligation; or
- 4.1.2 a Counterparty Event of Default; or
- 4.1.3 an Issuer Insolvency Event,

has occurred and is continuing.

- 4.2 In addition to any of the powers conferred on the Trustee pursuant to the Trust Instrument with respect to the Secured Property the Trustee may at any time:

4.2.1 after the occurrence of a Defaulted Obligation, at its discretion, and shall, if so directed in writing by the Relevant Security Holder to whom such Defaulted Obligation is owed, the Trustee having first been indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing, take such proceedings and/or other action as it may think fit against or in relation to the Issuer to enforce any such obligation of the Issuer under the Trust Instrument and the security constituted by this Deed in respect of the Relevant Securities to which such Defaulted Obligation relates;

4.2.2 if:

- (i) a Counterparty Event of Default; and/or

(ii) an Issuer Insolvency Event,

has occurred and is continuing, at its discretion, and shall if so directed in writing by Security Holders holding not less than 25 per cent. by Price (as at the date of the last signature or, if no Price was determined on such date the most recently determined Price) of the affected Micro and Commodity Securities (as a whole) then outstanding or an Extraordinary Resolution of the Security Holders holding affected Micro and Commodity Securities (as a single class), the Trustee having first been indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing, take such proceedings and/or other action as it may think fit against or in relation to the Issuer to enforce any obligations of the Issuer under the Trust Instrument and the security constituted by this Deed in respect of all outstanding affected Relevant Securities and for this purpose and Clause 4.2.3 “affected” Micro and Commodity Securities or “affected” Relevant Securities means, in the context of an Issuer Insolvency Event, all of them, and in the context of a Counterparty Event of Default or (in Clause 4.2.3) a Counterparty Insolvency Event, those Micro and Commodity Securities (or Relevant Securities, if any) that are attributable to the Pool or Pools which include rights against that particular Commodity Contract Counterparty; and

4.2.3 where a Counterparty Event of Default and/or an Issuer Insolvency Event is occurring at the same time as a Defaulted Obligation, a holder of Relevant Securities to whom a Defaulted Obligation is owed will not be entitled to require the Trustee to take action in accordance with Clause 4.2.1 until the expiry of 30 days from the occurrence of the Counterparty Event of Default and/or Issuer Insolvency Event, nor shall he be so entitled if, during such period of 30 days, the Trustee has elected, or been required, to take action in accordance with Clause 4.2.2.

4.3 Save as provided in Clause 4.8, only the Trustee may enforce the provisions of the Trust Instrument or this Deed where the Trustee has elected or been directed to enforce the Security and the Issuer’s obligations under the Trust Instrument.

4.4 At any time after the Security has become enforceable, the Trustee may collect, sell, or otherwise deal with the Secured Property in such manner as the Trustee thinks fit, and may take such actions or proceedings in connection therewith as it considers appropriate, and the Trustee shall apply the proceeds of such realisation in the manner described in Clause 17 (*Application of Moneys*) of the Trust Instrument.

4.5 It is anticipated that where the Trustee takes action to enforce the Security in respect of the Collateral, it will at the same time be taking the same action in respect of the remainder of the Total Collateral pursuant to the security granted to it in respect of each of the other Pools and each of the other Pools (as defined in the Short and Leveraged Trust Instrument) (“**S&L Pools**”). Similarly, any action taken by the Issuer to enforce the Security Agreement will be in respect of all of the Total Collateral. The proceeds of the Total Collateral shall be applied towards all Pools and all S&L Pools in the first instance *pro rata* to the total amounts payable in respect of those Pools by the Commodity Contract Counterparty under the terms of the Facility Agreement and the Short and Leveraged Facility Agreement. If for any reason the amounts obtained on realisation of the Total Collateral differ from the amounts payable by Issuer in respect of the Short and Leveraged Commodity Securities or the Micro and Commodity Securities and this would result after any applicable Trustee costs or any other matters having priority and after payment of any interest, in any surplus for any Pool or S&L Pool, any such surpluses shall be

applied *pro rata* to the Pools and S&L Pools in respect of which there may be a deficit to the extent of such deficit. Such allocations of the Total Collateral give rise to the “**Relevant Proportion**” of the Total Collateral for the Relevant Pool. If there is more than one Commodity Contract Counterparty, references in this Clause 4.5 to “**Pools**” and “**S&L Pools**” shall be construed as referring only to such Pools and S&L Pools as include rights against the particular Commodity Contract Counterparty against whose Collateral the Security is to be enforced and references to “**Total Collateral**” shall be construed as referring only to the Total Collateral posted pursuant to the Security Agreement with that Commodity Contract Counterparty.

- 4.6 Following enforcement of the Security by the Trustee, the Issuer shall hold the Secured Property on trust for the Trustee.
- 4.7 The Trustee shall be entitled at any time after the Security has become enforceable to do any of the acts and things listed in Clause 6 in relation to the Secured Property either in its own name or in the name of the Issuer and by way of security the Issuer hereby irrevocably appoints and constitutes the Trustee as the Issuer’s true and lawful attorney with full power in the name and on behalf of the Issuer to do any of the acts and things listed in Clause 6 at any time after the Security has become enforceable and with full power for any such attorney to sub-delegate any of such powers including the power to sub-delegate. The Issuer hereby ratifies and confirms and agrees to ratify and confirm whatever any such attorney may do or purport to do in the exercise or purported exercise of all or any of the powers, authorities and discretions referred to in this sub-clause 4.7.
- 4.8 No Security Holder will be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable period and such failure is continuing, in which case any such Security Holder will have only such rights against the Issuer as those which the Trustee is entitled to exercise on such Security Holder’s behalf.
- 4.9 The Trustee and the Security Holders agree that the Security Holders, or the Trustee on their behalf, will not, in relation to the Relevant Securities, institute against, or join any person in instituting against, the Issuer any bankruptcy, suspension of payments, moratorium of any indebtedness, winding-up, re-organisation, arrangement, insolvency or liquidation proceeding or other proceeding under any similar law (except for the appointment of a receiver and manager pursuant to this Deed) for two years (or, if later, the longest suspense period, preference period or similar period (howsoever described) ending with the onset of insolvency in respect of which transactions entered into by the Issuer within such period may be subject to challenge under applicable insolvency or other proceeding) plus one day after the date on which all amounts payable under the last outstanding security of any class issued by the Issuer and constituted by the Trust Instrument are repaid.
- 4.10 At any time after the Security has become enforceable, the Trustee may by writing appoint any person or persons to be a receiver or a receiver and manager or similar officer of any part of the Secured Property (which, in any such case, shall not be the Trustee or an affiliate of the Trustee) (each, a “**Receiver**”), and may remove any Receiver so appointed and appoint another in its place.
- 4.11 The Issuer hereby irrevocably appoints the following, namely:
- 4.11.1 the Trustee,
- 4.11.2 each and every person to whom the Trustee shall from time to time have delegated the exercise of the power of attorney conferred by this sub-clause 4.11, and

4.11.3 any Receiver appointed hereunder for the time being holding office as such (each an "Appointee"),

jointly and also severally to be the attorney or attorneys of the Issuer and in its name and otherwise on its behalf and as its act and deed to sign, seal, execute, deliver, perfect and do all deeds, instruments, acts and things which may be required (or which the Trustee or any Receiver shall consider requisite) for carrying out any obligation imposed on the Issuer by, or pursuant to, this Deed, for giving any notice under Clause 10.2(b) of the Facility Agreement, for carrying out any enforcement of the security created under the Security Agreement, including the giving of a Notice of Exclusive Control under the Control Agreement and ordering the sale of Collateral held thereunder, for carrying any sale or other dealing by the Trustee or such Receiver into effect, for conveying or transferring any legal estate or other interest in property or otherwise howsoever, for getting in the Secured Property, and generally for enabling the Trustee and the Receiver to exercise the respective powers conferred on them by or pursuant to this Deed or by law. The Trustee or any Receiver shall have full power to delegate the power conferred on it by this sub-clause 4.11, but no such delegation to any person shall preclude the subsequent exercise of such power by the Trustee or, as the case may be, the Receiver itself or preclude the Trustee or the Receiver from making a subsequent delegation thereof to some other person; and any such delegation may be revoked by the Trustee or the Receiver at any time.

4.12 Upon any sale, calling in, collection, conversion or enforcement as provided above and upon any other dealing or transaction under the provisions contained in this Deed, the receipt of the Trustee for the purchase money of the assets sold and for any other moneys paid to it shall effectually discharge the purchaser or other person paying the same and such purchaser or other person shall not be responsible for the application of such moneys.

4.13 If the Trustee appoints a Receiver in relation to the Secured Property, the following provisions shall have effect in relation thereto:

4.13.1 such appointment may be made either before or after the Trustee has taken possession of any of the Secured Property;

4.13.2 such Receiver may be vested by the Trustee with such powers and discretions (not exceeding the powers and discretions of the Trustee) as the Trustee has and may think expedient, including those listed in Clause 6, and may sell or concur in selling all or any of the Secured Property, or charge or release all or any of the Secured Property, in each case without restriction and on such terms and for such consideration (if any) as he may think fit and may carry any such transaction into effect by conveying, transferring and delivering in the name or on behalf of the Issuer or otherwise;

4.13.3 such Receiver shall in the exercise of his powers, authorities and discretions conform to regulations from time to time made by the Trustee;

4.13.4 the Trustee may from time to time fix the remuneration of such Receiver and direct payment thereof out of moneys accruing to him in the exercise of his powers as such;

4.13.5 the Trustee may from time to time and at any time require any such Receiver to give security for the due performance of his duties as Receiver and may fix the nature and amount of the security to be so

given, but the Trustee shall not be bound in any case to require any such security;

- 4.13.6 save insofar as otherwise directed by the Trustee, all moneys from time to time received by such Receiver shall be paid over forthwith to the Trustee to be held by it in accordance with the provisions of Clause 17 (*Application of Moneys*) of the Trust Instrument; and
- 4.13.7 every such Receiver shall be the agent of the Issuer for all purposes and the Issuer alone shall be responsible for his acts, defaults and misconduct, and the Trustee and the Security Holders shall not incur any liability therefor or by reason of its or their making or consenting to the appointment of a person as a Receiver under the Trust Instrument, or the terms on which such appointment is made.
- 4.14 The Issuer shall at its own cost and expense execute and do all such assurances, acts and things as the Trustee may reasonably require (including, without limitation, the giving of notices of charge or assignment and the effecting of filings or registrations in any jurisdiction) for perfecting or protecting the Security and from time to time and at any time after the Security or any part thereof has become enforceable, shall execute and do all such assurances, acts and things as the Trustee may reasonably require for facilitating the realisation of, or enforcement of rights in respect of, all or any of the Secured Property and the exercise of all powers, authorities and discretions vested in the Trustee or in any Appointee. For the purposes of this sub-clause 4.14, a certificate in writing signed by the Trustee to the effect that any particular assurance or thing required by it is reasonably required shall be conclusive evidence of the fact.
- 4.15 The Trustee shall not nor shall any Appointee of the Trustee by reason of enforcement of the Security or any other reason whatsoever and whether as chargee or on any other basis whatsoever, be liable to account for anything except actual receipts or be liable for any loss or damage arising from realisation of, or enforcement of rights in respect of such Secured Property or any other property, assets, rights or undertakings of whatsoever nature whether or not owned by the Issuer or any other person or in which the Issuer or such other person has an interest, from any act, default or omission in relation to such Secured Property or any other property, assets, rights or undertakings of whatsoever nature whether or not owned by the Issuer or any other person or in which the Issuer or such other person has an interest, or from any exercise or non-exercise by it of any power, authority or discretion conferred upon it in relation to all or any of the Secured Property or any other property, assets, rights or undertakings of whatsoever nature whether or not owned by the Issuer or any other person or in which the Issuer or such other person has an interest, by or pursuant to this Deed.
- 4.16 The powers conferred on the Trustee or any Appointee by this Deed in relation to all or any of the Secured Property shall be in addition to and not in substitution for the powers conferred on receivers (in the case of an appointment of a Receiver) under the Law of Property Act 1925 and the Insolvency Act 1986 (including, without limitation, all of the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver)) and where there is any ambiguity or conflict between the powers contained in those Acts and those conferred by this Deed the terms of this Deed shall prevail.
- 4.17 No person dealing with the Trustee or with any Appointee appointed by the Trustee in respect of all or any of the Secured Property shall be concerned to enquire whether any event has happened upon which any of the powers, authorities and discretions conferred by or pursuant to this Deed in relation to such Secured Property or any

other property, assets or undertaking are, or may be, exercisable by the Trustee or by any such Appointee or otherwise as to the propriety or regularity of acts purporting or intended to be in exercise of any such powers, authorities or discretions.

4.18 The provisions of sub-clauses 4.15, 4.16 and 4.17 in relation to the Trustee and any Appointee shall also apply, mutatis mutandis, in relation to any Receiver appointed by the Trustee.

5. PROVISIONS IN FAVOUR OF THE TRUSTEE AS REGARDS THE SECURED PROPERTY

5.1 The Trustee shall accept pursuant to this Deed and without investigation, requisition or objection such right and title as the Issuer may have to any of the Secured Property and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Issuer to all or any of the Secured Property, whether such defect or failure was known to the Trustee or might have been discovered upon examination or enquiry and whether capable of remedy or not.

5.2 Until such time as the Security becomes enforceable the Secured Property shall be dealt with in accordance with the provisions of this Deed and the Trustee shall not be responsible in such circumstances or at any other time for any loss occasioned thereby whether by depreciation in value or by fluctuation in exchange rates or otherwise.

5.5 The Trustee shall not be liable for any failure, omission or defect in perfecting, protecting or further assuring the Security including (without prejudice to the generality of the foregoing) any failure, omission or defect in registering or filing or procuring registration or filing of or otherwise protecting or perfecting the Security in respect of or in relation to this Deed or the priority thereof or the right or title of any person in or to the assets comprised therein by registering under any applicable registration laws in any territory any notice or other entry prescribed by or pursuant to the provisions of any such laws.

5.6 The Trustee shall not be responsible for any unsuitability, inadequacy or unfitness as security for the Secured Liabilities of any of the Secured Property and shall not be obliged to make any investigation into, and shall be entitled to assume, the suitability, adequacy and fitness as security for the Secured Liabilities of the Secured Property.

5.7 When the Trustee is required to consider (following the creation of the Security) any matter arising under the Secured Property, it may take directions in relation thereto from the Security Holders by means of an Extraordinary Resolution and shall not be liable for any delay in so doing which cannot reasonably be avoided by the Trustee.

5.8 The Trustee may, upon a disposal of any of the Secured Property by it or any Receiver to any third party in accordance with the terms of this Deed, release such Secured Property from the Security; and

5.9 The Trustee may rely as to any matters of fact upon any report or certificate signed and given by or on behalf of the Issuer and the information contained therein absolutely and shall be under no obligation to enquire as to the adequacy, accuracy or sufficiency of any such information or be under any obligation to make any calculations or verifications in respect of any such information. 9. TRUST INSTRUMENT

The Trustee shall have the benefit of all of the provisions of the Trust Instrument in connection with its activities hereunder.

10. GOVERNING LAW AND SUBMISSION TO JURISDICTION

- 10.1 This Deed is governed by, and shall be construed in accordance with, English law.

10.2 The Issuer irrevocably agrees for the benefit of the Trustee and the Security Holders that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Deed and that accordingly any suit, action or proceedings arising out of or in connection with this Deed (together referred to as “Proceedings”) may be brought in the courts of England. The Issuer irrevocably and unconditionally waives and agrees not to raise any objection which it may have now or subsequently to the laying of the venue of any Proceedings in the courts of England and any claim that any Proceedings have been brought in an inconvenient forum and further irrevocably and unconditionally agrees that a judgment in any Proceedings brought in the courts of England shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction. Notwithstanding the foregoing, nothing in this Clause shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

11. SERVICE AGENT

The Issuer irrevocably appoints WisdomTree UK Limited (the “**Service Agent**”) of 1 King William Street, London, EC4N 7AF, United Kingdom to receive, for it and on its behalf, service of any document to be served on the Issuer under this Deed. If for any reason the Service Agent is unable to act as such, the Issuer will promptly notify the Trustee and within 30 days appoint a substitute agent for service of process acceptable to the Trustee.

12. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person who is not a party to this Deed shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 (the “**Act**”) to enforce any term of this Deed, but this does not affect any rights that a person may have other than under the Act.

13. COUNTERPARTS

This Deed and any deed supplemental hereto may be executed and delivered in any number of counterparts, all of which, taken together, shall constitute one and the same deed and any party to this Deed or any trust instrument supplemental hereto may enter into the same by executing and delivering a counterpart.

14. LIMITED RECOURSE

The Trustee and the Security Holders of any class of Micro Securities (and any type of Commodity Securities if and to the extent that the amount payable on Redemption of such Commodity Securities is calculated by reference to (or they may be exchanged in accordance with Clause 9 of the Trust Instrument for) Micro Securities of that class) shall have recourse only to sums derived from the Secured Property relating to the relevant Pool. If, the Trustee (or any other secured party) having realised the same, the net proceeds are insufficient for the Issuer to make all payments which, but for the effect of this Clause, would then be due, the obligations of the Issuer will be limited to such net proceeds of realisation, neither the Trustee nor any person acting on its behalf shall be entitled to take any further steps against the Issuer to recover any further sums and no debt shall be owed by the Issuer to any such person in respect of any such further sum. In particular, neither the Trustee nor any Security Holder shall be entitled to institute, nor join with any other person in bringing, instituting or joining, any bankruptcy, suspension of payments, moratorium of any indebtedness, winding up, re-organisation, arrangement, insolvency or liquidation proceeding or other proceeding under any similar law (whether court

based or otherwise) in relation to the Issuer (except for the appointment of a receiver and manager pursuant to the relevant Security Deed) for two years (or, if later, the longest suspense period, preference period or similar period (howsoever described) ending with the onset of insolvency in respect of which transactions entered into by the Issuer within such period may be subject to challenge under applicable insolvency or other proceeding) plus one day after the date on which all amounts payable under the last outstanding security of any class or type issued by the Issuer and constituted by the Trust Instrument are repaid, nor shall they have any claim in respect of any sum arising in respect of the Secured Property for any other Pool or any other assets of the Issuer.

IN WITNESS whereof this Deed has been executed as a deed by the Issuer and the Trustee and entered into the day and year first above written.
