A Security Holder may request that his Micro or Commodity Securities be held in Certificated Form, in which case such Micro or Commodity Securities shall be removed from CREST.
- 4.3 The Issuer shall at all times keep at its registered office, or at such other place in Jersey as the Trustee may agree, registers showing the date of issue and all subsequent transfers and changes of ownership of all outstanding Micro Securities, Index Securities and Individual Securities and the names and addresses of the Security Holders and the persons deriving title under them. The Trustee and the Security Holders or any of them and any person authorised by any such person shall be at liberty at all reasonable times during office hours to inspect the Registers and to take (free of charge) copies of, or extracts from, the same or any part thereof. In the event of the Trustee requiring to convene a meeting of or to give any notice to, the Security Holders the Issuer shall furnish the Trustee (free of charge) with such copies of, or extracts from, the Registers as it shall require. The Registers may be closed by the Issuer for such periods and at such times (not exceeding in the whole 30 days in any one year) as it may think fit.
- 4.4 The Issuer, the Trustee and, to the extent relevant, each Security Holder, by accepting a Micro or Commodity Security, agrees to treat the Micro and Commodity Securities as equity interests in the Issuer for all U.S. federal tax purposes.

5. PRICE OF MICRO SECURITIES

- 5.1 The Price for a Micro Security of a particular class for a Pricing Day is the amount determined for that class by the following formula (calculated to thirteen places of decimals with 0.00000000000005 rounded upwards):

$$P_{(i,t)} = I_{(i,t)} \times M_{(i,t)} \times PF_{(i,t)} / 10,000,000;$$

where:

i refers to the relevant class of Micro Securities;

t refers to the applicable Pricing Day;

$P_{(i,t)}$ is the Price of Micro Securities of class i and for day t;

$I_{(i,t)}$ is the closing settlement price level of the Individual Commodity Index applicable to Micro Securities of class i for day t;

$M_{(i,t)}$ is the Multiplier for class i and for day t; and

$PF_{(i,t)}$ is the Pool Factor applicable to the relevant class of Micro Security on day t.

- 5.2 The Price for a Micro Security on any day other than a Pricing Day is the same as the Price for that class of Micro Security on the most recent Pricing Day for that class (but using the Multiplier determined for that day rather than the Multiplier for the most recent Pricing Day).
- 5.3 The Price of a Commodity Security is the sum of the Prices of each and every Micro Security comprised in that Commodity Security.
- 5.4 The Pool Factor for each Pool and the Micro Securities and Individual Securities (and Index Securities to the extent that they comprise Micro Securities of that class) attributable to that Pool shall be 1.000000 unless and until otherwise determined for that Pool and such Micro Securities and Individual Securities (and Index Securities to such extent) in accordance with Condition 20.3.

6. MULTIPLIER

- 6.1 The Multiplier for Micro Classic Securities was 1.0000000 on the day on which the first Classic Micro or Commodity Securities (of any type) were issued. The Multiplier for Micro Forward Securities will be 1.0000000 on the day on which the first Forward Micro or Commodity Securities (of any type) are issued.
- 6.2 On every subsequent day, the Multiplier for Micro Securities shall be adjusted in accordance with the following formula (calculated to seven places of decimals with 0.00000005 rounded upwards):

$$M_{(i,t)} = M_{(i,t-1)} \times (1 + CA_{(i,t)});$$

where:

i refers to the relevant class of Micro Securities;

t refers to the applicable day;

$M_{(i,t)}$ is the Multiplier for class i and day t;

$M_{(i,t-1)}$ is the Multiplier for class i the previous day t-1; and

$CA_{(i,t)}$ is the Capital Adjustment applicable for class i on day t, expressed as a decimal.

- 6.3 The Issuer shall announce and publish on the Issuer's Website the Multiplier applicable from time to time.

7. CAPITAL ADJUSTMENT

- 7.1 The calculation of the Price at which Micro and Commodity Securities may be Redeemed includes the Capital Adjustment for each day on which the Price is calculated. The Capital Adjustment shall be as agreed from time to time between the Commodity Contract Counterparties and the Issuer, and shall be included in the calculation of the Multiplier.

8. REDEMPTION OF MICRO AND COMMODITY SECURITIES BY SECURITY HOLDERS

Redemption Entitlement

- 8.1 Each Micro Security of a particular class carries the right on Redemption to payment of either:
- (a) the higher of (i) the Principal Amount for that class, and (ii) the Price of that Micro Security on the applicable Pricing Day determined in accordance with Condition 5.1 (*Settlement Pricing*); or
 - (b) where applicable, an amount determined by agreement between a Commodity Contract Counterparty and a Security Holder which is an Authorised Participant in accordance with Condition 8.15 (*Agreed Pricing*).
- 8.2 Subject as otherwise provided in these conditions, each Commodity Security of a particular type carries the right on Redemption to payment of the aggregate amounts payable on Redemption for all Micro Securities of which it is comprised, such amounts determined in accordance with Condition 8.1.

Redemption by Authorised Participants

- 8.3 A Security Holder who is also an Authorised Participant may (subject as provided herein) require the Issuer to Redeem all or part of its holding of Micro and Commodity Securities by lodging with the Registrar a Redemption Form specifying either Settlement Pricing or Agreed Pricing provided that if at any time a Redemption Amount is due to be paid by the Issuer in respect of a Redemption to a particular Authorised Participant, the amount payable by the Issuer may be discharged in whole or in part pursuant to the set-off provisions set out in the Authorised Participant Agreement. A Settlement Redemption Form may in addition be deemed to have been lodged by an Authorised Participant with the Registrar on a Listing Failure Date in the circumstances further described in the applicable Authorised Participant Agreement.

Redemption by Other Security Holders

- 8.4 A Security Holder which is not also an Authorised Participant may only require the Issuer to Redeem all or any part of its holding of Micro and Commodity Securities if either:
- (a) on any General Trading Day, there are no Authorised Participants, and the Security Holder submits on such day a valid Settlement Redemption Form; or
 - (b) the Issuer has announced by an RIS in respect of any General Trading Day, or until further announcement or generally, that Redemptions by Security Holders who are not Authorised Participants will be permitted and the Security Holder submits on a General Trading Day a valid notice in the form prescribed for the purpose by the Issuer requesting Redemption of such Micro or Commodity Securities using

Settlement Pricing. Any such announcement may be general or subject to conditions, and any notice requesting any Redemption which is not in accordance with any such conditions shall not be valid.

Redemption Amount

- 8.5 The Redemption Amount with respect to a Redemption shall be the amount (in US Dollars) determined as follows:
- (a) if the Redemption is effected using Settlement Pricing, an amount equal to the sum of the amounts determined in accordance with Condition 8.1 or Condition 8.2 in respect of all of the Micro or Commodity Securities thereby Redeemed; or
 - (b) if the Redemption is effected using Agreed Pricing, the amount specified as the Redemption Amount in the Agreed Redemption Form.
- 8.6 The Issuer shall on the Redemption Payment Date in respect of any Redemption pay (or procure the payment of) the Redemption Amount in respect of that Redemption into the applicable Redemption Account.

Redemption Limits

- 8.7 Micro Securities of a particular class (and any type of Commodity Securities to the extent that the amount payable on Redemption of such Commodity Securities is calculated by reference to Micro Securities of that class) may not be Redeemed on a day pursuant to a Settlement Redemption Form:
- (a) submitted by any Security Holder (including any Authorised Participant), to the extent that the sum of the Prices of all Micro Securities of that class (and any type of Commodity Securities to the extent that the amount payable on Redemption of such Commodity Securities is calculated by reference to Micro Securities of that class) which are Redeemed on that day would exceed the sum of the Commodity Contract Counterparty Redemption Limits for that class of Micro Securities on that day (such limit being the ***Redemption Limit*** for that class of Micro Securities); or
 - (b) submitted by any Authorised Participant, to the extent that the sum of the Prices of all Micro Securities of that class (and any type of Commodity Securities to the extent that the amount payable on Redemption of such Commodity Securities is calculated by reference to Micro Securities of that class) which are Redeemed on that day pursuant to Settlement Redemption Forms submitted by that Authorised Participant would exceed the sum of the Commodity Contract Counterparty Redemption Limits for that class of Micro Securities on that day in respect only of those Commodity Contract Counterparties for which that Authorised Participant is an Authorised Participant (such limit being the ***Authorised Participant Redemption Limit*** for that class of Micro Securities and that Authorised Participant).

For the purposes of this Condition, the ***Commodity Contract Counterparty Redemption Limit*** with respect to a class of Micro Securities and a Commodity Contract Counterparty is the amount denominated in US Dollars agreed between the Issuer and that Commodity Contract Counterparty as the redemption limit in respect of the corresponding class of Commodity Contracts.

- 8.8 For the purposes of the Redemption Limits, Redemption Forms will be dealt with in order of their actual receipt by the Issuer and, for the purpose of this Condition, Condition 8.12 shall be disregarded.

Settlement Pricing

8.9 A Settlement Redemption Form shall be invalid:

- (a) if it does not specify a number and type of Micro or Commodity Securities to be Redeemed;
- (b) *[not used]*;
- (c) for a Settlement Redemption Form lodged by an Authorised Participant, if it is received by the Issuer at any time other than between 8.00 a.m. and 6.30 p.m. on an Issuer Business Day;
- (d) if it does not specify the Redemption Account into which the Redemption Amount shall be payable;
- (e) to the extent that the number of Micro or Commodity Securities of that type or in aggregate to be Redeemed would result in a Redemption Limit being exceeded, and the relevant Commodity Contract Counterparty does (or Commodity Contract Counterparties do) not agree to that Redemption Limit being exceeded (in which event such Settlement Redemption Form will not be capable of being invalidated under this Condition 8.9(e) in respect of the greatest number of Micro or Commodity Securities of the relevant type or types that would not result in the Redemption Limit being exceeded);
- (f) if the Settlement Redemption Form is submitted by an Authorised Participant, and the number of Micro or Commodity Securities of that type or in aggregate to be Redeemed would result in an Authorised Participant Redemption Limit being exceeded (in which event such Settlement Redemption Form shall not be capable of being invalidated under this Condition 8.9(f) in respect of the greatest number of Micro or Commodity Securities of the relevant type that would not result in the Authorised Participant Redemption Limit being exceeded);
- (g) where notice of a Compulsory Redemption Date has been given, if the Settlement Redemption Form is received or deemed received on or after: (i) where notice has been given under Condition 9.2 or (either following the giving of notice by the Issuer to nominate a compulsory pricing date under a Facility Agreement following a Counterparty Event of Default or the giving of notice by a Commodity Contract Counterparty to nominate a compulsory pricing date under its Facility Agreement as a result of a Guarantor Tax Event (as defined in any applicable Guarantee)) under Condition 9.1(a), the date on which notice of the Compulsory Redemption Date was given; or (ii) in any other case, the Compulsory Redemption Date;
- (h) if it relates to the Redemption of Individual Securities, and it is received or deemed received on or after the Compulsory Redemption Date in respect of that class of Individual Securities, of which notice has been given in accordance with Condition 9.5;
- (i) if it relates to the Redemption of Micro and Commodity Securities that are the subject of a Listing Failure; or
- (j) if it is invalid pursuant to Condition 8.19(c) or Condition 8.20(c),

and, save as provided in Condition 8.9(e), no Micro and Commodity Securities of the relevant type shall be Redeemed in respect of or under that Settlement Redemption Form.

- 8.10 If the Issuer considers that a purported Settlement Redemption Form is invalid, it shall notify the Security Holder giving that Settlement Redemption Form of that fact as soon as reasonably possible. The Issuer shall not be obliged to Redeem pursuant to a Settlement Redemption Form any Micro or Commodity Securities where the relevant Commodity Contract Counterparty has not confirmed a corresponding Commodity Contract Termination in accordance with the provisions of the relevant Facility Agreement. If the Issuer in its absolute discretion considers it necessary or desirable to do so in relation to any Settlement Redemption Form for the purpose of arranging (in aggregate) corresponding Commodity Contract Terminations in accordance with two or more Facility Agreements or to enable such Settlement Redemption Form to be settled in part in accordance with Condition 13 (*Settlement of Redemption Forms by Transfer*), or both, the Issuer may determine that the Settlement Redemption Form be deemed to comprise two or more deemed Settlement Redemption Forms, such deemed Settlement Redemption Forms relating to, in aggregate, the same numbers and types of Micro and Commodity Securities as those to which the original Settlement Redemption Form related; and these Conditions shall apply to such deemed Settlement Redemption Forms accordingly. If the Issuer determines to exercise its right to deem a Settlement Redemption Form to comprise two or more deemed Settlement Redemption Forms it shall notify the Security Holder giving that Settlement Redemption Form of that fact as soon as reasonably possible.
- 8.11 If a Settlement Redemption Form is deemed received by the Issuer prior to the Notice Deadline on an Issuer Business Day (*Day 1*):
- (a) if Day 1 is a Pricing Day for all types of Micro and Commodity Securities to be Redeemed pursuant to that Settlement Redemption Form, all those Micro and Commodity Securities will be Priced on Day 1 (and that day shall be the Relevant Pricing Day and the Pricing Date for each such type of Micro and Commodity Securities);
 - (b) if Day 1 is not a Pricing Date for any type of Micro or Commodity Security to be Redeemed pursuant to that Settlement Redemption Form:
 - (i) the Security Holder may by written notice to the Issuer, sent before the Notice Deadline on the next succeeding Issuer Business Day, cancel the Settlement Redemption Form; and where such a Withdrawal Notice is given no Micro and Commodity Securities shall be Redeemed in respect of or under that Settlement Redemption Form; and
 - (ii) if no notice is issued under Condition 8.11(b)(i) then the Settlement Redemption Form will be deemed received on the next Issuer Business Day (and no Pricing of Micro and Commodity Securities for that Settlement Redemption Form shall occur before then) and that Issuer Business Day will then constitute Day 1 for the Settlement Redemption Form and this Condition 8.11 shall apply thereto accordingly;

- (c) If Day 1 is a Pricing Day for one or more classes of Micro Security comprised in an Index Security that is to be Redeemed pursuant to that Settlement Redemption Form, the Micro Securities so comprised for which it is a Pricing Day will be Priced on that day (and that day shall be the Relevant Pricing Day for those Micro Securities) and the other classes will be Priced on the next Pricing Day for each such class (and the day on which each such other class is Priced shall be the Relevant Pricing Day for that class) provided that if not all types of Micro Securities comprised in an Index Security that is to be Redeemed have been Priced at the end of the fourth General Trading Day following Day 1 then:
- (i) the Redemption of the Index Security shall be effected in accordance with Condition 10.7;
 - (ii) the Issuer will be deemed to have received from the relevant Security Holder a Settlement Redemption Form in respect of the Micro Securities to be delivered to the Security Holder by the Issuer pursuant to Condition 10.7 (such deemed Settlement Redemption Form a *Micro Securities Settlement Redemption Form*);
 - (iii) the Security Holder may by written notice to the Issuer, sent before the Notice Deadline on the next succeeding Issuer Business Day, cancel the Micro Securities Settlement Redemption Form, and where such notice is given no Micro Securities shall be Redeemed in respect thereof;
 - (iv) if no notice is given under Condition 8.11(c)(ii), the Micro Securities Settlement Redemption Form will be deemed received on the next Issuer Business Day and that Issuer Business Day will then constitute Day 1 for Micro Securities Settlement Redemption Form and this Condition 8 shall apply thereto accordingly; and
- (d) where Condition 8.11(c) applies, the Pricing Date in respect of the deemed Settlement Redemption Notice relating to the Priced Securities will be the last Trading Day on which any class of Micro Security comprised in that Index Security is Priced, *provided that* if the proviso in Condition 8.11(c)(i) applies, the Pricing Date for that Index Security will be the fourth General Trading Day following Day 1 (whether or not any Micro Securities comprised in that Index Security are Priced on that day).
- 8.12 A Settlement Redemption Form which is received by the Issuer on an Issuer Business Day after the Notice Deadline but prior to 6.30 p.m. shall be deemed to be received by the Issuer at 8.00 a.m. on the following Issuer Business Day, unless the Issuer agrees to treat that Settlement Redemption Form as having been received prior to the Notice Deadline in which case it shall be deemed to have been received by the Issuer prior to the Notice Deadline.
- 8.13 Within one Business Day after the last Pricing Date in respect of any Settlement Redemption Form, the Issuer shall notify the relevant Security Holder of the Redemption Amount payable in respect of that Settlement Redemption Form, determined as provided above.
- 8.14 The Issuer may change or vary the procedures for the lodgement of Settlement Pricing Forms and these Conditions shall be modified in respect of Redemptions using Settlement Pricing to the extent of any such change or variation.

Agreed Pricing

- 8.15 A Commodity Contract Counterparty and an Authorised Participant may submit an Agreed Redemption Form to the Issuer (either jointly, or in separate notices). An Agreed Redemption Form is conclusive evidence that the Commodity Contract Counterparty and the Authorised Participant have agreed upon the Redemption by the Issuer of a number and type of Micro or

Commodity Securities specified in the notice(s), and the US Dollar amount which is the Redemption Amount for those Micro or Commodity Securities.

8.16 If a Commodity Contract Counterparty and an Authorised Participant purport to send an Agreed Redemption Form by separate notices:

- (a) which are inconsistent with one another in relation to any of the items referred to in Condition 8.18(a), 8.18(b) or 8.18(c); or
- (b) one of which is invalid under Condition 8.18,

those notices shall not constitute a valid Agreed Redemption Form and the Issuer shall reject the notices and advise that Commodity Contract Counterparty and that Authorised Participant accordingly.

8.17 Where an Agreed Redemption Form is submitted by separate notices from the Authorised Participant and a Commodity Contract Counterparty, the Issuer shall be deemed to have received the Agreed Redemption Form at the time that it is deemed to receive the second of the two notices.

8.18 An Agreed Redemption Form shall be invalid in the circumstances specified in Condition 8.20(c) or if it does not set out:

- (a) the number and type of Micro and Commodity Securities to be Redeemed;
- (b) the Redemption Amount for that Redemption (stated as a total amount); and
- (c) the Redemption Payment Date for that Redemption, which shall be not earlier than two London Business Days following the day on which the Agreed Redemption Form is deemed received by the Issuer.

Suspension of Redemptions

8.19 If the Price of a class of Micro Security falls below its Principal Amount, the Issuer may at any time and from time to time while the Price in relation to such class is below such Principal Amount determine to suspend the right to Redeem the Micro Securities of that class and all types of Commodity Securities which are comprised, in whole or in part, of Micro Securities of such class, in each case pursuant to Condition 8.1(a) and, subject as provided in this Condition 8.19, may terminate any such suspension. The following provisions shall apply where the Issuer determines to exercise its powers under this Condition:

- (a) the Issuer shall give notice of such suspension and of the termination of any such suspension via an RIS as soon as practicable, but failure to give such notices shall not prevent the exercise of such powers;
- (b) any such suspension may continue in the discretion of the Issuer for a period of up to 30 days, and may continue thereafter provided that notice of a meeting has been issued convening a meeting for a date not more than 30 days after the date of the notice for the purpose of considering an Extraordinary Resolution which will have the effect of reducing the Principal Amount to a level less than the Price, in which event the suspension will cease when the meeting (or any adjournment thereof) concludes or, if the Extraordinary Resolution is passed and makes alternative provision, in accordance with the Extraordinary Resolution;
- (c) any suspension shall not affect any Redemption the Pricing Date for which had passed before the suspension commenced, but any Settlement Redemption Form lodged or deemed received on an Issuer Business Day when the right to Redeem

Micro or Commodity Securities of that type pursuant to Condition 8.1(a) is suspended pursuant to this Condition shall be invalid; and

- (d) if the right to Redeem Micro Securities of any class or Commodity Securities of any type or types pursuant to Condition 8.1(a) is suspended pursuant to this Condition as at 6.30 p.m. on the second Issuer Business Day prior to a Compulsory Redemption Date for that class pursuant to Condition 9.6, then notwithstanding that a number of Micro Securities of that class or Commodity Securities of that type or types may have been specified pursuant to that Condition which is not all of those Micro or Commodity Securities, such Compulsory Redemption Date shall be a Compulsory Redemption Date for all of the Micro Securities of that class and Commodity Securities of that type or types.

8.20 If the Issuer is considering exercising its power under Condition 20.3 to divide any Pool, or has determined to exercise such power, it may determine to suspend the right to Redeem the Micro Securities of the class attributable to such Pool and all types of Commodity Securities which are comprised, in whole or in part, of Micro Securities of that class under Condition 8.1(a) and Condition 8.1(b) and, subject as provided in this Condition 8.20, may terminate any such suspension. The following provisions shall apply where the Issuer determines to exercise its powers under this Condition:

- (a) the Issuer shall give notice of such suspension and of the termination of any such suspension via an RIS as soon as practicable, but failure to give such notices shall not prevent the exercise of such powers;
- (b) any such suspension may continue in the discretion of the Issuer for a period of up to 30 days but (without prejudice to Condition 9.4) shall terminate when either the Issuer has determined to divide such Pool and such division has become effective or the Issuer has announced via an RIS that it has determined not to divide such Pool; and
- (c) any suspension shall not affect any Redemption the Pricing Date for which had passed before the suspension commenced, but any Settlement Redemption Form or Agreed Redemption Form lodged or deemed received on an Issuer Business Day when the right to Redeem Micro or Commodity Securities of that type is suspended pursuant to this Condition shall be invalid.

9. COMPULSORY REDEMPTION BY THE ISSUER OR TRUSTEE

Compulsory Redemption on Termination

9.1 The Issuer may at any time (upon not less than seven days' notice in the case of (a) below and not less than thirty days' notice in the case of (b) below) by RIS announcement nominate an Issuer Business Day to be a Compulsory Redemption Date for all Micro and Commodity Securities, or all Micro or Commodity Securities of any one or more type, if:

- (a) notice is given by either party thereto terminating a Facility Agreement or nominating a compulsory pricing date thereunder in respect of all Commodity Contracts created thereunder; or
- (b) the Issuer elects to Redeem all Micro and Commodity Securities, or all Micro or Commodity Securities of any one or more type,

provided that a notice given under paragraph (b) may be withdrawn until the date not later than seven days prior to the date nominated to be the Compulsory Redemption Date so long as there remains in effect at least one Facility Agreement pursuant to which subsequent to that date Commodity Contracts of the same class as such Micro Securities (or of the same class or

classes as the Micro Securities of which Commodity Securities of that type or types are comprised) may be created.

9.2 If a Counterparty Event of Default or an Issuer Insolvency Event has occurred and is continuing, the Trustee may at any time, at its discretion, and shall if so directed in writing by Security Holders holding not less than 25 per cent. by Price (as at the date of the last signature) of the affected Micro and Commodity Securities (as a whole) then outstanding or by an Extraordinary Resolution of the Security Holders holding affected Micro and Commodity Securities (as a single class), the Trustee having first been indemnified and/or secured to its satisfaction, give notice to the Issuer that all the affected Micro and Commodity Securities outstanding are required to be Redeemed and nominating an Issuer Business Day falling not less than 20 Issuer Business Days (or two Issuer Business Days in the case of an Issuer Insolvency Event) from the giving of such notice to be a Compulsory Redemption Date, and for this purpose “affected Micro and Commodity Securities” means, in the context of an Issuer Insolvency Event, all of them, and, in the context of a Counterparty Event of Default, those Micro and Commodity Securities that are attributable to the Pool or Pools which include rights against that particular Commodity Contract Counterparty.

9.3 If a Compulsory Redemption Date is nominated by the Issuer pursuant to Condition 9.1(a) in relation to any Micro or Commodity Securities following notice having been given by the Issuer to terminate a Facility Agreement or to nominate a compulsory pricing date thereunder by reason of a Counterparty Event of Default and, prior to the Compulsory Redemption Date, the Issuer has either:

- (a) determined to divide a Pool to which outstanding Commodity Contracts created under that Facility Agreement are attributable by allocating all such Commodity Contracts to the New Pool in accordance with Condition 20.3; or
- (b) announced by an RIS its intention to do so or that it is considering doing so,

the Issuer may determine that the Redemption pursuant to Condition 9.1(a) shall not apply to the Micro or Commodity Securities attributable to that Pool but shall apply (*mutatis mutandis*) to the New Micro Securities, New Individual Securities and New Index Securities attributable to such new Pool and otherwise on the basis of this Condition 9. If in the case of paragraph (b) such division shall not have become effective within 30 days of such announcement, this Condition shall cease to have effect. The Issuer shall give notice of any determination made pursuant to this Condition 9.3 via an RIS as soon as practicable, but failure to give any such notice shall not prevent the exercise of its powers hereunder.

9.4 If a Facility Agreement has been terminated, or notice of a compulsory pricing date thereunder by reason of a Counterparty Event of Default has been given, then no further Redemption Forms in respect of Micro or Commodity Securities attributable to a Pool to which outstanding Commodity Contracts created under that Facility Agreement are attributable, given on or after the date of such termination or given or deemed given after the date of such notice shall be effective unless and until whichever occurs earlier of:

- (a) the Issuer has determined to divide such Pool as referred to in Condition 9.3 and such division has become effective; and
- (b) the Issuer has announced by an RIS that Redemption Forms given after, or on or after, the date specified in such announcement will be effective, the date determined in accordance with such announcement. Any such announcement may be general or subject to conditions and any Redemption Form which would not be effective in the absence of such announcement shall not be effective if it is not in accordance with such conditions.

Compulsory Redemption due to Index Disruption

9.5 The Issuer may at any time (upon not less than thirty days' notice) by RIS announcement nominate an Issuer Business Day to be a Compulsory Redemption Date for all Micro Securities of a particular class (or Commodity Securities which are comprised (in whole or in part) of that class of Micro Securities) if:

- (a) an Individual Commodity Index which relates to that class of Micro Securities is no longer calculated and published in accordance with the Handbook and the Calculation Agent gives notice to the Issuer under a Facility Agreement of its intent to discontinue calculation and notification of that Individual Commodity Index to the Issuer under that Facility Agreement; or
- (b) non-calculation or non-publication of an Individual Commodity Index which relates to that class of Micro Securities for any reason continues for a continuous period of thirty days, and a Commodity Contract Counterparty and the Issuer are unable to reach agreement on a permanent replacement mechanism or amendments to the relevant Facility Agreement to give effect to that mechanism.

Compulsory Redemption due to Hedging Disruption

9.6 The Issuer may at any time (upon not less than thirty days' notice) by RIS announcement nominate an Issuer Business Day to be a Compulsory Redemption Date for a particular class of Micro Securities (or type of Commodity Securities which are comprised (in whole or in part) of that class of Micro Securities), and the number of such Micro Securities (and the number(s) and type(s) of such Commodity Securities), if as a consequence of a Hedging Disruption Event a Commodity Contract Counterparty or any of its Affiliates is required by law or by the order of a regulatory authority having jurisdiction to close hedging positions (if any) which a Commodity Contract Counterparty (acting reasonably) attributes to the hedging of its obligations in connection with the relevant Facility Agreement or Commodity Contracts of the same class. Any such notice may specify a number of Micro or Commodity Securities (which may not be all of those Micro or Commodity Securities) to be redeemed in consequence of such notice and if in relation to any particular type of Micro or Commodity Securities the Issuer does not redeem all the outstanding Micro or Commodity Securities they will be redeemed in accordance with Condition 9.11 *pro rata* to holdings on the relevant Register as at the Compulsory Redemption Date. Any nomination of a Compulsory Redemption Date by the Issuer under this Condition 9.6 in relation to less than all of the Micro Securities of any particular class or Commodity Securities of any particular type or types is subject to Condition 8.19.

Compulsory Redemption on a fall in the Price relative to the Principal Amount

9.6A If on any Pricing Day the Price of any class or classes of Micro Security falls to 2.5 times the Principal Amount of such Micro Security or below, the Issuer may at any time, for so long as the Price continues to be less than 2.5 times the Principal Amount of such Micro Security and during the period 60 days thereafter, upon not less than 2 days' notice by RIS announcement nominate an Issuer Business Day to be a Compulsory Redemption Date in respect of that class of Micro Security and all types of Commodity Securities which are comprised, in whole or in part, of Micro Securities of such class and subject to Condition 3.2 investors will receive a sum on such Compulsory Redemption calculated in accordance with Condition 9.11. The right to nominate an Issuer Business Day to be a Compulsory Redemption Date pursuant to this Condition 9.6A shall cease if an Extraordinary Resolution is passed which has the effect of reducing the Principal Amount to a level less than two-fifths of the Price, but this is without prejudice to any subsequent nomination pursuant to this Condition if on any Pricing Day the Price of that class of Micro Security falls to 2.5 times the Principal Amount (as so reduced) of such Micro Security or below.

Compulsory Redemption for cause

9.7 The Issuer may, in its absolute discretion, at any time by written notice to a Security Holder nominate an Issuer Business Day (being not less than seven Trading Days and not more than fourteen Trading Days following the date of the notice) to be a Compulsory Redemption Date in respect of Micro and Commodity Securities held by that Security Holder, if:

- (a) the Issuer required the Security Holder in accordance with Condition 15 to certify whether or not it is a Prohibited Benefit Plan Investor and (i) the Security Holder did not by the date specified in the notice given under Condition 15 provide such a certification to the Issuer in the form and executed in the manner required or (ii) the Security Holder certified that it is a Prohibited Benefit Plan Investor; or
- (b) the Issuer required the Security Holder in accordance with Condition 15 to certify whether or not it is a Prohibited US Person and the (i) Security Holder did not by the date specified in the notice given under Condition 15 provide such a certification to the Issuer in the form and executed in the manner required or (ii) the Security Holder certified that it is a Prohibited US Person; or
- (c) the Issuer considers (in its sole discretion) (i) that such Micro and Commodity Securities are or may be owned or held directly or beneficially by any person in breach of any law or requirement of any country or by virtue of which such person is not qualified to own those Micro and Commodity Securities, or (ii) that the ownership or holding or continued ownership or holding of those Micro and Commodity Securities (whether on its own or in conjunction with any other circumstance appearing to the Issuer to be relevant) would, in the reasonable opinion of the Issuer, cause a pecuniary or tax disadvantage to the Issuer or any other Security Holders which it or they might not otherwise have suffered or incurred,

provided that if the relevant Security Holder in the case of sub-paragraph (a)(i) or (b)(i) so failed to provide such a certification, or in the case of sub-paragraph (a)(ii) or (b)(ii) certified that it is a Prohibited Benefit Plan Investor or a Prohibited US Person, in each case in respect of some only of the Micro and Commodity Securities held by it, a notice given by the Issuer under this Condition shall relate only to those Micro and Commodity Securities (and not any other Micro or Commodity Securities held by that Security Holder).

9.8 If a Security Holder which is the subject of a notice under Condition 9.7 provides to the Issuer prior to the Notice Deadline proof required by the Issuer that its Micro and Commodity Securities have been transferred to a person that is not a Prohibited Benefit Plan Investor or a Prohibited US Person, then the Micro and Commodity Securities referred to in that notice shall not be redeemed under these Conditions.

9.9 If a Security Holder which is the subject of a notice under Condition 9.7 does not provide to the Issuer prior to the Notice Deadline proof required by the Issuer that its Micro and Commodity Securities have been transferred to a person that is not a Prohibited Benefit Plan Investor or a Prohibited US Person, then the Micro and Commodity Securities referred to in that notice shall not be capable of being transferred by that Security Holder and the Issuer shall not be required to register any purported transfer of those Micro and Commodity Securities.

9.10 The Issuer shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Condition 9. The exercise of the powers conferred by this Condition 9 shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership or holding of the Micro and Commodity Securities, or any other grounds save that such powers shall have been exercised in good faith.

Compulsory Redemptions

9.11 Where a Compulsory Redemption Date is notified in accordance with these Conditions other than pursuant to Condition 9.7, in respect thereof:

- (a) the Issuer shall, no later than 8.00 a.m. on the Compulsory Redemption Date, by RIS announcement publish the Compulsory Daily Pricing Number of Micro and Commodity Securities of each relevant type to be priced on successive Pricing Days for each class commencing on the Compulsory Redemption Date;
- (b) on the Compulsory Redemption Date and on any required succeeding Pricing Day the applicable Compulsory Number Priced for each type of Micro or Commodity Securities to which the Compulsory Redemption Date relates shall be priced until Micro and Commodity Securities of that type (including, in the case of a Compulsory Redemption Date notified in accordance with Condition 9.6, all those Micro or Commodity Securities that have previously been deducted from the Compulsory Daily Pricing Number for that type pursuant to the proviso contained in the definition of "Compulsory Number Priced" in connection with that Compulsory Pricing Date) in a number equal to the Compulsory Redemption Number for that type have been Priced;
- (c) on the Redemption Payment Date for such Compulsory Redemption the Issuer shall (subject to the Security Holder depositing the Micro and Commodity Securities in question into an appropriate CREST account or otherwise delivering such Micro and Commodity Securities to the Issuer by agreement with the Issuer) pay into the appropriate Redemption Account(s) the sum of the Prices of all Micro and Commodity Securities thereby Priced together with an amount equivalent to interest thereon calculated at the rate of the Capital Adjustment then prevailing, in each case from the third London Business Day following the Pricing Day on which that Price was determined (provided that if that day is not a New York Business Day then on the next following Business Day) until and including the Redemption Payment Date;
- (d) each Redemption Account shall be credited with the relevant Security Holder's *pro-rata* share of the sum of the Prices of all Micro and Commodity Securities thereby Priced (and the Issuer shall be under no obligation to make payment of the amount so Priced until that amount shall have been determined); and
- (e) upon payment in full of that amount all such Micro and Commodity Securities which were so priced shall be cancelled.

9.12 Where a Compulsory Redemption Date is notified to a Security Holder in accordance with Condition 9.7:

- (a) on the Compulsory Redemption Date and on any required succeeding Pricing Day the applicable Compulsory Number Priced of each type of Micro or Commodity Securities shall be priced until Micro and Commodity Securities of that type in a number equal to the Compulsory Redemption Number for that type have been Priced; and
- (b) within three Business Days of the Redemption Payment Date for such Compulsory Redemption the Issuer shall (subject to the Security Holder depositing the Micro and Commodity Securities in question into an appropriate CREST account or otherwise delivering such Micro and Commodity Securities to the Issuer in such manner as may be agreed by the Issuer or otherwise all such Micro or Commodity securities being cancelled to the satisfaction of the Issuer) pay into the appropriate Redemption Account(s) the Redemption Amount.

10. SETTLEMENT OF REDEMPTION AMOUNTS

- 10.1 Where a Redemption Form has been given for the Redemption of Micro or Commodity Securities, the Security Holder which holds those Micro or Commodity Securities which are the subject of that Redemption must deposit the Micro and Commodity Securities in question into an appropriate CREST account and give correct delivery versus payment instructions in accordance with the Redemption Notice if they were in Uncertificated Form, or otherwise deliver the Micro and Commodity Securities to be Redeemed and any certificates representing them to the Issuer in such manner as the Issuer may agree if they are in Certificated Form. Once a valid Redemption Form is given in respect of Micro and Commodity Securities, unless the Redemption Form is validly withdrawn (in accordance with Condition 8.11) the Micro and Commodity Securities in respect of which it was given may not be transferred by the Security Holder (except to the Issuer), and the Issuer may refuse to recognise any subsequent transfer of any of those Micro or Commodity Securities.
- 10.2 Failure by a Security Holder to deposit those Micro and Commodity Securities into an appropriate CREST account and give correct delivery versus payment instructions shall not invalidate the Redemption of those Micro and Commodity Securities. Where settlement of a Redemption of Micro and Commodity Securities is delayed due to the failure of the Security Holder to deposit the Micro and Commodity Securities in question into an appropriate CREST account or give correct delivery versus payment instructions or otherwise deliver such Micro and Commodity Securities and any certificates representing them in a manner agreed by the Issuer, the Security Holder shall not be entitled to any interest on the Redemption Amount after the Redemption Payment Date. If the Security Holder fails to deliver such Micro and Commodity Securities to the Issuer (via the CREST system or another method agreed with the Issuer), the Issuer shall be entitled to pay the Redemption Amount in respect thereof into the Trustee's Redemption Account (to be held on trust for the Security Holder), and to cancel the entry in the Register in respect of those Micro and Commodity Securities.
- 10.3 Where Micro or Commodity Securities are Redeemed in accordance with Condition 9, the Issuer shall be entitled, upon payment of the Redemption Amount (less the Redemption Fee, if applicable) into the applicable Redemption Account to cancel the entry in the Register in respect of those Micro and Commodity Securities being Redeemed.
- 10.4 Save to the extent that the proviso to Condition 8.3 applies, payment of the Redemption Amount (less any applicable Redemption Fee deducted under Condition 11) into the applicable Redemption Account on the Redemption Payment Date is in full satisfaction of all liability which the Issuer has to Security Holders in respect of the Micro and Commodity Securities which have been Redeemed.
- 10.5 The Issuer may, at any time, notify a Security Holder that a Commodity Contract Counterparty may have to withhold or deduct from a payment for a Commodity Contract Termination that corresponds to any Redemption by that Security Holder an amount for or on account of, any present or future taxes, duties assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any relevant jurisdiction or any political sub-division thereof or any authority thereof having power to tax, as required by law (as modified by the practice of any relevant governmental revenue authority) then in effect and such notice shall specify any form or document to be delivered by beneficial owners of Micro or Commodity Securities that may allow the Commodity Contract Counterparty to make such payment without any such withholding or deduction or with such withholding or deduction at a reduced rate. If such forms or documents are not provided to the Issuer and the relevant Commodity Contract Counterparty by the relevant Security Holder or if it is not the beneficial owner of Micro or Commodity Securities held by such Security Holder and which are to be redeemed, such beneficial owner, then any such payment will be reduced (and the matching obligation of the Issuer to pay any

Redemption Amount to that Security Holder will also be reduced) by the amount of the withholding or deduction. If there is more than one Commodity Contract Counterparty the Issuer shall not be under any obligation to select the Commodity Contract Counterparty to whom the Commodity Contract Termination relates with a view to minimising or avoiding any such withholding or deduction or otherwise and shall have no liability to Security Holders in respect of any such selection or otherwise in relation to any such withholding or deduction.

10.6 The Redemption of Micro or Commodity Securities by the Issuer pursuant to the occurrence of a Listing Failure, and delivery of Micro or Commodity Securities by an Authorised Participant in connection therewith, shall be effected in accordance with the procedures set out in the applicable Authorised Participant Agreement.

10.7 If the proviso in Condition 8.11(c) applies with respect to an Index Security, then on the Redemption Payment Date for that Index Security the Issuer shall Redeem the Index Security:

(a) to the extent that it is comprised of Micro Securities which have been Priced at the end of the fourth General Trading Day following Day 1 (*Priced Securities*), by payment into the relevant Redemption Account of an amount equal to the Redemption Amount that would have been determined for that Index Security if it had been comprised of the Priced Securities only; and

(b) to the extent that it is comprised of Micro Securities still not priced at the end of the fourth General Trading Day following Day 1 (*Delayed Securities*), by delivering to the relevant Security Holder Micro Securities of the same classes and in the same number as such Delayed Securities, and otherwise in accordance with this Condition 10. The Issuer may give such directions to the Security Holder as appear to the Issuer to be necessary to enable the settlement of any payment or delivery to be made by it pursuant to this Condition.

11. REDEMPTION FEE

11.1 Subject as provided below, it is a condition to the performance by the Issuer of the obligation to Redeem Micro and Commodity Securities that the Issuer may deduct the Redemption Fee from the Redemption Amount and that if it does not the Security Holder of such Micro and Commodity Securities shall pay to the Issuer the Redemption Fee in respect of such Redemption in accordance with this Condition 11. The Issuer may offset the amount of the Redemption Fee payable hereunder against the Redemption Amount payable to the Security Holder.

11.2 On a Redemption of Micro and Commodity Securities at the request of an Authorised Participant, the Redemption Fee shall be the amount agreed in the relevant Authorised Participant Agreement to be payable, or such other amount as may be agreed by the Issuer and that Authorised Participant at the time of the Redemption, regardless of the number of Micro and Commodity Securities being redeemed.

11.3 On a Redemption of Micro and Commodity Securities at the request of a Security Holder who is not an Authorised Participant (where there are no Authorised Participants), the Redemption Fee shall be an amount equal to the cost to the Issuer of satisfying such Redemption request, which shall be notified to the Security Holder at the time of the Redemption being not greater than £500 or such other amount as may be notified through a RIS.

11.4 On a Compulsory Redemption of Micro and Commodity Securities by the Issuer or at the request of the Trustee, the Redemption Fee shall be an amount equal to the cost to the Issuer incurred in relation to the Redemption, including the costs of enquiries under Condition 15 and the cost of giving notices under Condition 9 being not greater than £500 or such other amount as may be notified through a RIS. The Issuer shall notify Security Holders whose

Micro and Commodity Securities are subject to Compulsory Redemption of the amount of those costs, and their allocation to particular Security Holders, at the time of the Redemption.

- 11.5 The Issuer may set off any amount payable to the Issuer in accordance with this Condition 11 by the holder of Micro and Commodity Securities in respect of the Redemption Fee against the Redemption Amount payable by the Issuer to such holder.

12. INTEREST ON SETTLEMENT FAILURE

- 12.1 Following the occurrence of a Settlement Failure, interest shall accrue on any balance of the Redemption Amount not paid or otherwise discharged by or on behalf of the Issuer from the Settlement Failure Date. Such interest shall:

- (a) accrue at the Funding Rate from and including the Settlement Failure Date to but excluding the date falling three Business Days after the Settlement Failure Date, and thereafter at the Default Rate; and
- (b) cease to accrue on the date on which such balance is paid into the relevant Redemption Account.

13. SATISFACTION OF REDEMPTION FORMS BY TRANSFER

- 13.1 The Issuer may in its absolute discretion elect to satisfy Redemption Forms by transfer of the appropriate number of Micro and Commodity Securities to one or more Authorised Participant(s) from Security Holder(s) seeking Redemption, and for that purpose the Issuer may authorise any person on behalf of the Security Holder to execute one or more instruments of transfer in respect of the relevant number(s) of Micro and Commodity Securities provided that the amount payable to the Security Holder shall still be an amount equal to the relevant Redemption Amount (less the Redemption Fee) and the relevant Redemption Payment Day will be the date of the transfer(s).

14. REBALANCING OF INDEX SECURITIES

- 14.1 The rights of an Index Security shall be adjusted from time to time, so that the numbers and classes of Micro Securities comprised in such Index Securities and the Principal Amount of such Index Securities shall be adjusted as provided in this Condition 14 (a *Rebalancing*).
- 14.2 A Rebalancing will take place whenever the DJ-UBS Commodity Indices are rebalanced (a *Required Rebalancing*), and may at the election of the Issuer take place on other occasions if the Issuer considers in good faith a Rebalancing to be desirable to help reduce tracking error with the DJ-UBS Commodity Indices or any of their sub-indices (a *Voluntary Rebalancing*).
- 14.3 A Rebalancing shall not create, issue, redeem or cancel any Micro and Commodity Securities and no payment shall be made to a Security Holder in respect of any Rebalancing.
- 14.4 The Issuer covenants under the Trust Instrument that it shall procure that, in conjunction with each Rebalancing of Index Securities, the number of Commodity Contracts of each class in existence (and possibly, in the case of a Required Rebalancing, classes of Commodity Contracts) in existence will be adjusted to correspond with the number and classes of Micro and Commodity Securities in existence immediately following the Rebalancing.
- 14.5 If there is to be a change in the classes of Micro Securities that are comprised in a category of Index Securities following a Required Rebalancing, the Issuer shall notify the holders of those Index Securities of the change not less than fifteen days prior to the Rebalancing Calculation Date. The classes so notified may include new classes of Micro Securities representing new commodities the prices of which are to be included in the calculation of the DJ-UBS Commodity Indices following the Rebalancing. In the absence of a notification there shall be

no change to the classes of Micro Securities which are comprised in a category of Index Securities.

- 14.6 The Issuer shall notify holders of Index Securities of a Voluntary Rebalancing not less than 10 days prior to the expected Rebalancing Calculation Date of that Rebalancing, at the same time notifying them of the month in which that Voluntary Rebalancing is to be effected and whether the Voluntary Rebalancing is to be an Extended Voluntary Rebalancing.
- 14.7 The Weights to be used in a Rebalancing shall be as follows:
- (a) the Weights for the ETFS All Commodities DJ-UBS CISM Index Securities and the ETFS Forward All Commodities DJ-UBS CI-F3SM Index Securities shall be the same as the Notifiable Weights of the Relevant DJ-UBS Commodity Index notified by the Commodity Contract Counterparty in accordance with the Facility Agreement; and
 - (b) the Weights for each other category of Index Securities shall be the Weights determined in accordance with paragraph (a) above (excluding those Weights of commodities which are not represented in that category of Index Security), re-weighted proportionally so that the sum of the Weights of the commodities represented in that Index Security equals exactly 100 per cent.
- 14.8 The Issuer shall notify the holders, by way of RIS announcement, of each category of Index Securities of the Weights used in the Rebalancing of the Index Securities following their calculation.
- 14.9 On a Rebalancing Calculation Date, the Target Number of Micro Securities comprised in each Index Security of a particular category following a Rebalancing shall be calculated by applying the following formula to each class of Micro Securities to be comprised in that category of Index Securities:

$$MST_{(i,j)} = VSum_{(j,T)} \times Weight_{(i,j,T)} / P_{(i,T)}$$

where:

T refers to the Rebalancing Calculation Date;

i refers to the relevant class of Micro Securities;

j refers to the relevant category of Index Securities;

MST_(i,j) is the Target Number of Micro Securities of class i to be comprised in each Index Security of category j following the Rebalancing;

VSum_(j,T) is the sum of the Values of each and every Micro Security comprised in an Index Security of category j on the Rebalancing Calculation Date *provided that* if that day is a Market Disruption Day for any Individual Commodity Index, a substitute value for such index for the relevant day calculated by the Calculation Agent for the purposes of the Facility Agreement shall be used instead;

Weight_(i,j,T) is the applicable Weight for Micro Securities of class i in Index Securities of category j, on the Rebalancing Calculation Date, determined in accordance with Condition 14.7, expressed as a decimal (so that 1 per cent. is expressed as 0.01); and

P_(i,T) is the Price of Micro Securities of class i, on the Rebalancing Calculation Date *provided that* if that day is a Market Disruption Day for any Individual

Commodity Index, a substitute value for such index for the relevant day calculated by the Calculation Agent for the purposes of the Facility Agreement shall be used instead.

14.10 For a Required Rebalancing and an Extended Voluntary Rebalancing, the number of Micro Securities of each class comprised in each Index Security of a particular category will be adjusted as follows:

- (a) Where the number of Micro Securities comprised in a category of Index Securities is being reduced (because the Target Number of Micro Securities of that class for the category of Index Security in question, determined in accordance with Condition 14.9, is less than the number of Micro Securities of that class comprised in each Index Security of that category prior to the Rebalancing), at the commencement of each day (day t) following each of the first “N” (as defined below) Hedge Roll Days the reduction in number of Micro Securities of each such class, in relation to that category of Index Securities, shall be:

$$\text{MSDR}_{(i,j,t)} = (\text{MSB}_{(i,j)} - \text{MST}_{(i,j)}) / N$$

where:

i refers to the relevant class of Micro Securities;

t refers to day t;

j refers to the relevant category of Index Securities;

$\text{MSDR}_{(i,j,t)}$ is the number of Micro Securities of class i reduced on day t;

$\text{MSB}_{(i,j)}$ is the number of Micro Securities of class i before the Rebalancing;

$\text{MST}_{(i,j)}$ is the Target Number of Micro Securities of class i, determined in accordance with Condition 14.9; and

N is five, or such other number of days scheduled for the Rebalancing (assuming no Market Disruption Days);

provided however that if the Hedge Roll Day is not a Pricing Day for a class of Individual Commodity Index, “ $\text{MSDR}_{(i,j,t)}$ ” for that class of Micro Security shall be zero on day t and on the day following the next Pricing Day for that class of Individual Commodity Index that number of Micro Securities will be reduced in addition to any other reduction to occur on such day.

- (b) Where the number of Micro Securities comprised in a category of Index Securities is being increased or established (because the Target Number of Micro Securities of that class for the category of Index Security in question, determined in accordance with Condition 14.9, is greater than the number of Micro Securities of that class comprised, or that class was not comprised, in each Index Security of that category prior to the Rebalancing), at the commencement of each day (day t) on which there is a reduction in Micro Securities pursuant to Condition 14.10(a), the increase in number of Micro Securities of each such class, in relation to that category of Index Securities, shall be:

$$\text{MSDI}_{(i,j,t)} = \text{VPTI}_{(i,j,T)} \times \text{VMSDR}_{(j,t)} / P_{(i,t-1)}$$

where:

- i refers to the relevant class of Micro Securities;
- t refers to day t;
- j refers to the relevant category of Index Securities;
- $MSDI_{(i,j,t)}$ is the increase in the number of Micro Securities of class i on day t;
- $VPTI_{(i,j,T)}$ is the Value, on the Rebalancing Calculation Date, of the Micro Securities of class i to be increased during the Rebalancing expressed as a percentage of the Value of all Micro Securities comprised in Index Securities of category j to be increased during the Rebalancing;
- $VMSDR_{(j,t)}$ is the Value, on the Pricing Day immediately prior to day t, of all Micro Securities comprised in Index Securities of category j reduced on day t in accordance with Condition 14.10(a); and
- $P_{(i,t-1)}$ is the Price of Micro Securities of class i, on the Pricing Day immediately prior to day t;

provided however if the day prior to day t is not a Pricing Day for a class of Individual Commodity Index, “ $MSDI_{(i,j,t)}$ ” for that class of Micro Security shall be zero on day t and shall be recalculated (by changing only $P_{(i,t-1)}$) on the day following the next Pricing Day for that class of Individual Commodity Index and that recalculated number of Micro Securities will be increased in addition to any other increase to occur on such day.

- (c) Micro Securities required to be removed from an Index Security in accordance with Condition 14.10(a) shall thereupon, without further action by the Security Holder, be converted into the Micro Securities required to be added in accordance with Condition 14.10(b).
- 14.11 For a Voluntary Rebalancing other than an Extended Voluntary Rebalancing, at the commencement of the day following the Rebalancing Calculation Date each class of Micro Securities comprised in each category of Index Securities in existence will be adjusted in accordance with Condition 14.10 except that N shall be 1 and day t shall be the first General Trading Day following the Rebalancing Calculation Date.
- 14.12 A Commodity Contract Counterparty and the Issuer may agree refinements to the Rebalancing mechanisms set out above from time to time, without the consent of the Trustee. Subject to the same provisos to Condition 30.2(d), the Rebalancing mechanisms set out above shall be amended in the manner agreed in writing by the Commodity Contract Counterparty and the Issuer and notified to Security Holders in an RIS announcement.
- 14.13 No money shall be payable by the Issuer to Security Holders, or by Security Holders to the Issuer, in respect of a Rebalancing.

15. ENQUIRIES AS TO STATUS OF SECURITY HOLDERS

- 15.1 The Issuer may at any time, without any requirement to state a reason, give notice to a Security Holder requiring that Security Holder:
- (a) to certify, no later than the date (the *Investor Notice Expiry Date*) falling fifteen Trading Days following the date on which the Issuer sends or transmits such

requirement to that Security Holder whether that Security Holder is a Prohibited US Person or a Prohibited Benefit Plan Investor (and if that Security Holder is a Prohibited Benefit Plan Investor or Prohibited US Person, to notify the Issuer of the number and type of Micro and Commodity Securities in respect of which it is a Prohibited Benefit Plan Investor or Prohibited US Person); and

- (b) if that Security Holder asserts that it is not a Prohibited US Person or not a Prohibited Benefit Plan Investor (or not a Prohibited Benefit Plan Investor or not a Prohibited US Person in respect of all Micro and Commodity Securities held by it), to provide to the Issuer by the Investor Notice Expiry Date a certificate in the form and executed in the manner determined by the Issuer that the Security Holder is not a Prohibited US Person or not a Prohibited Benefit Plan Investor (or not a Prohibited Benefit Plan Investor or not a Prohibited US Person in respect of certain Micro and Commodity Securities held by it, specifying the number and type of Micro and Commodity Securities in respect of which it is, and is not, a Prohibited Benefit Plan Investor or is, and is not, a Prohibited US Person).

15.2 The Issuer may provide to any Commodity Contract Counterparty copies of any enquiries made by it under this Condition 15 and any responses received from the Security Holder.

15.3 The Issuer shall be entitled, save to the extent that it has made enquiry under this Condition 15, to assume that none of the Micro and Commodity Securities are held by Prohibited US Persons or Prohibited Benefit Plan Investors.

16. CALCULATION AGENT

16.1 The Calculation Agent is appointed by the Issuer and each Commodity Contract Counterparty for the purposes of the relevant Facility Agreement (but not for the purposes of these Conditions, the Micro and Commodity Securities or the Trust Instrument):

- (a) to determine whether a Market Disruption Event exists;
- (b) if an Individual Commodity Index is not published for five or more consecutive Trading Days by reason of those Trading Days being Market Disruption Days in respect of that Individual Commodity Index, to calculate and provide to the Issuer a substitute value for that Individual Commodity Index on each subsequent Trading Day for as long as the Market Disruption Event continues;
- (c) if an Individual Commodity Index is not published on a Trading Day for any reason other than that Trading Day being a Market Disruption Day in respect of that Individual Commodity Index, to calculate and provide to the Issuer a substitute value for that Individual Commodity Index for that Trading Day and for each subsequent Trading Day for as long as the non-publication continues;
- (d) to make the determinations and calculations provided for in Condition 14.9; and
- (e) to make the determinations and notifications referred to in the definitions of ECIPs and Notifiable Weights.

16.2 The Calculation Agent is or will be required under each relevant Facility Agreement (or any calculation agency agreement entered into by it in connection therewith) to act in good faith and in a commercially reasonable manner and in accordance with its obligations set out in that Facility Agreement (or such calculation agency agreement). Subject thereto, in the absence of manifest error the determinations of the Calculation Agent are final and conclusive.

16.3 Where for the purposes of each Facility Agreement a substitute value for an Individual Commodity Index is calculated by the Calculation Agent for a Trading Day, that substitute

value shall be used in the calculation of the Price of Micro Securities to which that Individual Commodity Index is applicable for that Trading Day, in lieu of the Individual Commodity Index.

- 16.4 If the Issuer provides copies to the Trustee of determinations notified to the Issuer by the Calculation Agent and/or notifies the Trustee (or any other person) of determinations made by the Calculation Agent, but it shall do so on the express basis that:
- (a) such copies and notifications are provided to the Trustee for information purposes only;
 - (b) neither the Trustee nor any holder or potential holder of Micro and Commodity Securities shall be entitled to rely as against the Calculation Agent upon any determination of the Calculation Agent; and
 - (c) no duty shall be owed by the Calculation Agent to the Trustee or any holder or potential holder of Micro and Commodity Securities in connection with any such determination.

17. ENFORCEMENT

- 17.1 In addition to any of the powers conferred on the Trustee pursuant to the Security Deed with respect to the Secured Property, the Trustee may at any time:
- (a) after the occurrence of a Defaulted Obligation, at its discretion, and shall, if so directed in writing by the Security Holder to whom such Defaulted Obligation is owed, the Trustee having first been indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing, take such proceedings and/or other action as it may think fit against or in relation to the Issuer to enforce any such obligation of the Issuer under the Trust Instrument and the security constituted by the Security Deed(s) in respect of the relevant Micro and Commodity Securities to which such Defaulted Obligation relates; and
 - (b) if a Counterparty Event of Default and/or an Issuer Insolvency Event has occurred and is continuing, at its discretion, and shall if so directed in writing by Security Holders holding not less than 25 per cent. by Price (as at the date of the last signature or, if no Price was determined on such date, the most recently determined Price) of the affected Micro and Commodity Securities (as a whole) then outstanding or by an Extraordinary Resolution of the Security Holders holding affected Micro and Commodity Securities (as a single class), the Trustee having first been indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing, take such proceedings and/or other action as it may think fit against or in relation to the Issuer to enforce any obligations of the Issuer under the Trust Instrument and the security constituted by the Security Deed(s) in respect of all affected and outstanding Micro and Commodity Securities and for this purpose (and Condition 17.3) “affected Micro and Commodity Securities” means, in the context of an Issuer Insolvency Event, all of them, and, in the context of a Counterparty Event of Default, those Micro and Commodity Securities that are attributable to the Pool or Pools which include rights against that particular Commodity Contract Counterparty.
- 17.2 If the Trustee considers that the Issuer is in material breach of any of the covenants, undertakings and obligations (other than payment obligations) in the Trust Instrument and has not remedied the same within 30 days of being required to do so by the Trustee, the Trustee may, but shall not be obliged to, give notice to all Security Holders of that fact. Prior to giving

any such notice, the Trustee shall provide a copy of the proposed notice to the Issuer and shall include with the notice any statement of not more than 1,000 words prepared by the Issuer and provided to the Trustee for the purpose within 7 days of receipt of the copy of the proposed notice referred to herein. In any such notice the Trustee may designate a Period (the **Breach Redemption Period**) commencing on any General Trading Day until the date one month from such General Trading Day (inclusive) during which each Security Holder will be entitled to redeem all (but not some only) of the Micro and Commodity Securities held by it in the same manner as though there were no Authorised Participants. After the expiry of the Breach Redemption Period, the relevant breach shall be deemed waived without prejudice to the right of the Trustee to take action in the event of any subsequent such breach.

- 17.2A In the event that at any time during the Breach Redemption Period the right to Redeem Micro Securities of any class or Commodity Securities of any type or types pursuant to Condition 8.1(a) is suspended pursuant to Condition 8.19 or the right to Redeem Micro Securities of any class or Commodity Securities of any type or types is suspended pursuant to Condition 8.20, then the right to Redeem Micro Securities of that class and Commodity Securities of that type or types pursuant to Condition 17.2 shall be suspended in like manner and the provisions of Condition 8.19(c) or Condition 8.20(c) (as the case may be) shall apply *mutatis mutandis*. Upon the suspension ceasing under Condition 8.19 or Condition 8.20 (as the case may be), the right to Redeem Micro Securities of that class and Commodity Securities of that type or types pursuant to Condition 17.2 shall resume and the Breach Redemption Period in respect of that class shall continue until the date one month from the date on which the suspension so ceased.
- 17.3 If a Counterparty Event of Default and/or an Issuer Insolvency Event is occurring at the same time as a Defaulted Obligation, a Security Holder holding affected Micro and Commodity Securities to whom a Defaulted Obligation is owed will not be entitled to require the Trustee to take action in accordance with Condition 17.1(a) until the expiry of 30 days from the occurrence of the Counterparty Event of Default and/or Issuer Insolvency Event, nor shall he be so entitled if, during such period of 30 days, the Trustee has elected, or been required, to take action in accordance with Condition 17.1(b).
- 17.4 Subject to Condition 17.6, only the Trustee may enforce the provisions of the Trust Instrument or the Security Deeds. Where the Trustee has elected or been directed to enforce the Issuer's obligations under the Trust Instrument and the security constituted by a Security Deed, the right of Security Holders to lodge a Redemption Form with the Registrar shall cease. Valid Redemption Forms lodged before the date the Trustee announces its intention to enforce the security (the **Election Date**) will be Redeemed in the normal manner. The Price for all Micro and Commodity Securities of a particular type outstanding at the Election Date will be the average Redemption Amount of the remaining Micro or Commodity Securities of that type.
- 17.5 If the Trustee takes any action pursuant to Condition 17.1 with respect to any Micro or Commodity Securities to which a Defaulted Obligation relates, it shall give notice to the Issuer that such Micro and Commodity Securities in respect of which such action is taken are, and they shall become, due and payable at their Redemption Amount, calculated in accordance with Condition 8.1 (*Redemption Entitlement*).
- 17.6 No Security Holder will be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable period and such failure is continuing, in which case any such Security Holder will have only such rights against the Issuer as those which the Trustee is entitled to exercise against or in relation to the Issuer.

18. APPLICATION OF MONEYS

- 18.1 All moneys received by the Trustee pursuant to the realisation of Secured Property in respect of a particular class of Micro Securities (and any type of Commodity Securities to the extent that the amount payable on Redemption of such Commodity Securities is calculated by reference to Micro Securities of that class and for which they may be surrendered in accordance with the provisions of the Trust Instrument) shall be held by the Trustee upon trust, to apply them:
- (a) FIRST in payment or satisfaction of all amounts then due to the Trustee and unpaid (including to its attorneys, managers, agents, delegates or other person appointed by the Trustee) under terms of the Trust Instrument, and to payment of any remuneration and expenses of any receiver and the costs of realisation of the security constituted by the relevant Security Deed;
 - (b) SECONDLY in or towards payment or performance *pari passu* and rateably of all amounts then due and unpaid and all obligations due to be performed and unperformed in respect of Micro Securities of that class and any type of Commodity Securities to the extent that they are comprised of Micro Securities of that class; and
 - (c) THIRDLY in payment of the balance (if any) to the Issuer (without prejudice to, or liability in respect of, any question as to how such payment to the Issuer shall be dealt with as between the Issuer and any other person).

19. RESTRICTIONS

- 19.1 So long as any Micro and Commodity Securities of a particular type are outstanding, the Issuer covenants in the Trust Instrument, *inter alia*:
- (a) not to incur or permit to subsist in respect of any Pool any indebtedness for borrowed money other than Micro and Commodity Securities or Further Securities, and not to give any guarantee or indemnity in respect of indebtedness of any person, save in each case with the prior written consent of the Trustee;
 - (b) other than as permitted under the applicable Security Deed, not to dispose of any of the Secured Property or any interest therein, or to create any mortgage, pledge, charge, lien, or other form of encumbrance or security interest or right of recourse in respect thereof in favour of any person;
 - (c) not to undertake any business save for the issue and redemption of Micro and Commodity Securities, the acquisition and disposal of Commodity Contracts, the issue and redemption of Short and Leveraged Commodity Securities (and any other securities constituted by the Short and Leveraged Trust Instrument) and the acquisition and disposal of Commodity Contracts (as defined in the Short and Leveraged Trust Instrument) and in each case entering into the necessary documents and performing its obligations and exercising its rights thereunder;
 - (d) to use reasonable endeavours to ensure that at all times after the date three months following Listing there are at least two Authorised Participants and until then there is at least one Authorised Participant;
 - (e) not to issue any Micro or Commodity Securities of any type unless it has purchased Commodity Contracts with corresponding terms and in an aggregate matching Redemption Amount;

- (f) not to maintain an office or other fixed place of business, nor to establish any permanent establishment, nor be or become tax resident, in any jurisdiction other than Jersey;
- (g) not to make any election under U.S. federal income tax laws to be treated otherwise than as an association taxable as a corporation for U.S. federal income tax purposes;
- (h) to undertake any business so as to seek to minimise the impact of taxation;
- (i) to procure that the Pools are at all times maintained in a manner so that they are readily distinguishable from each other and from any other pool to which any other class of securities of the Issuer is attributable (including but not limited to any Pool (as defined for the purposes of the Short and Leveraged Trust Instrument)); and
- (j) to exercise its rights in respect of any Collateral in any circumstance where such rights become exercisable and there are amounts due from the relevant Commodity Contract Counterparty and unpaid.

20. FURTHER SECURITIES; OTHER POOLS; TRANSFERS TO NEW POOLS; CONSOLIDATION AND DIVISION

- 20.1 Subject to its ability to create corresponding Commodity Contracts, the Issuer may (without the consent of the Security Holders) create and issue additional classes of undated limited recourse secured debt securities constituted by an instrument or deed supplemental to this Trust Instrument and may establish additional pools for the purposes of such securities and the Trustee shall join in such instrument or deed and thereupon such pool shall be a “Pool” for the purposes of the Trust Instrument and such securities shall be “Micro Securities” for such purposes, and the Issuer may further create and issue Commodity Securities, the amount payable on Redemption of which is calculated by reference to such Micro Securities in accordance with the Trust Instrument (and for which such Commodity Securities when in Certificated Form may be surrendered in accordance with the provisions of the Trust Instrument). Any such additional classes of Micro Securities shall have recourse only to the Pool attributable to the relevant classes and not to any other Pool. Other such securities created and issued by the Issuer under this Condition 20.1 may relate to different commodities than those in respect of which Individual Securities are initially issued, or involve the same commodities but different commodity indices, or be Index Securities involving different combinations of Micro Securities or with different weightings, or involve different pricing mechanisms. Other such securities created by the Issuer under this Condition 20.1 may be created and issued subject to different terms and conditions in lieu of the Trust Instrument (including but not limited to different pricing mechanisms), to be determined by the Issuer. If other securities issued by the Issuer under this Condition 20.1 are subject to different terms and conditions in lieu of the Trust Instrument the Issuer shall publish those new conditions in its RIS announcement or in a prospectus or listing particulars or supplementary prospectus or supplementary listing particulars and on the Issuer’s Website.
- 20.2 The Issuer shall not accept Applications for, or issue, Micro Securities of a new class, or Commodity Securities (the amount payable on Redemption of which is calculated by reference to (and when held in Certificated form may be surrendered in exchange for) Micro Securities of a new class) under Condition 20.1 unless it has first (a) created corresponding Commodity Contracts under the terms of a Facility Agreement and (b) executed and delivered to the Trustee a Security Deed assigning by way of security for the benefit of the Trustee and the relevant Security Holders the contractual rights of the Issuer under each commodity contract of the relevant class and creating a first floating charge for the benefit of the Trustee and the relevant Security Holders over the rights of the Issuer under that facility agreement (to the extent that it relates to such class), commodity contracts of that class created under it and any Guarantee supporting the obligations of the relevant Commodity Contract Counterparty

to the Issuer to the extent that they apply to payments due in respect of that new class, for the benefit of the Trustee and the relevant Security Holders.

20.3 The Issuer may at any time (without the consent of the Security Holders and without giving prior notice) determine to divide any Pool (the **Existing Pool**) by allocating some of the Secured Property attributable to that existing Pool to a new Pool (the **New Pool**). If it determines to do so, the following shall apply:

- (a) the Issuer may only transfer all (and not merely some) of the Commodity Contracts with any one Commodity Contract Counterparty attributable to that Pool;
- (b) prior to or on the transfer becoming effective, the Issuer shall create undated limited recourse secured micro securities (**New Micro Securities**) and undated limited recourse secured individual securities (**New Individual Securities**) of a new class referable to the same Individual Commodity Index and otherwise on the same terms as the Micro Securities attributable to the Existing Pool (the **Existing Micro Securities**) and the Individual Securities attributable to the Existing Pool (the **Existing Individual Securities**), each having a principal amount determined in accordance with Condition 20.3(d) constituted by an instrument or deed on the same terms (*mutatis mutandis*) as the Trust Instrument (save that there shall be no obligation to procure Listing of the New Micro Securities or the New Individual Securities) and on terms that such New Micro Securities and New Individual Securities shall have recourse only to the assets attributable to the New Pool, and (subject as provided in paragraph (f)) shall issue such New Micro Securities to the Security Holders of the Existing Micro Securities outstanding immediately prior to the transfer becoming effective on the basis of one New Micro Security for each Existing Micro Security then held and such New Individual Securities to the Security Holders of the Existing Individual Securities outstanding immediately prior to the transfer becoming effective on the basis of one New Individual Security for each Existing Individual Security then held. For this purpose (but subject as provided in paragraph (f)) any Micro Security or Individual Security in respect of which a Defaulted Obligation has occurred and is continuing shall be treated as outstanding;
- (c) prior to or on the transfer becoming effective, the Issuer shall also create new classes of undated limited recourse secured index securities (**New Index Securities**), each on the same terms as the existing categories of Index Securities (**Existing Index Securities**) which comprise Existing Micro Securities, each having a principal amount determined in accordance with Condition 20.3(d) constituted by an instrument or deed on the same terms (*mutatis mutandis*) as the Trust Instrument (save that there shall be no obligation to procure Listing of the New Index Securities of any category) and on terms that such New Index Securities shall have recourse only to the assets attributable to the New Pools to which they are attributable, such New Index Securities being capable when in Certificated Form of surrender in exchange for the New Micro Securities of which they are comprised (being New Micro Securities corresponding to the Existing Micro Securities of which the Existing Index Securities to which that category of New Index Securities corresponds are comprised) and by reference to which the amount payable on Redemption of such New Index Securities is calculated, and (subject as provided in paragraph (f)) shall issue such New Index Securities to the Security Holders of the Existing Index Securities outstanding immediately prior to the transfer becoming effective on the basis of one New Index Security for each Existing Index Security then held. For this purpose (but subject as provided in paragraph (f)) any Index Security in respect of which a Defaulted Obligation has occurred and is continuing shall be treated as outstanding;

- (d) the principal amount and Pool Factor of each New Micro Security and each New Individual Security shall (subject as provided in paragraph (f)) be the proportion of the principal amount and Pool Factor respectively, of each Existing Micro Security and each Existing Individual Security (respectively) outstanding immediately prior to the transfer becoming effective that the aggregate Price of the Commodity Contracts to be transferred bears to the aggregate Price of the Commodity Contracts attributable to the Existing Pool, and on the creation and issue of the New Micro Securities and the New Individual Securities becoming effective the principal amount and Pool Factors of each Existing Micro Security and each Existing Individual Security and the principal amount of each Existing Index Security shall be reduced accordingly and the principal amount of each New Index Security determined accordingly;
- (e) the Issuer shall enter into a Security Deed with the Trustee in relation to the assets attributable to the New Pool to secure the New Micro Securities and the New Individual Securities (and the New Index Securities to the extent that they comprise New Micro Securities), which shall be on the same terms (*mutatis mutandis*) as the Security Deed (the **Existing Security Deed**) in relation to the Existing Pool, and the Trustee shall release the property to be transferred from the Existing Security Deed; and
- (f) any valid Redemption Form received or deemed received prior to (and being in respect of Micro or Commodity Securities which have not by then been Redeemed and in respect of which the Redemption Amount has not been paid in accordance with Condition 10):
 - (i) in a case where in respect of the Existing Micro Securities, Existing Individual Securities or Existing Index Securities (as the case may be) (together the **Existing Securities**) notice of a Compulsory Redemption Date has been given under Condition 9.2 prior to such division becoming effective, the date on which such notice of a Compulsory Redemption Date was given;
 - (ii) in a case where in respect of the relevant Existing Securities notice of a Compulsory Redemption Date has been given (either following the giving of notice by the Issuer to nominate a compulsory pricing date under a Facility Agreement following a Counterparty Event of Default or the giving of notice by a Commodity Contract Counterparty to nominate a compulsory pricing date under its Facility Agreement as a result of a Guarantor Tax Event (as defined in any applicable Guarantee)) under Condition 9.1(a) prior to such division becoming effective, the date on which notice of the Compulsory Redemption Date was given;
 - (iii) in any other case where in respect of the relevant Existing Securities, notice of a Compulsory Redemption Date has been given prior to such division becoming effective, the Compulsory Redemption Date; and
 - (iv) in any other case, the date on which such division becomes effective,

and in each case being valid notwithstanding Condition 8.9(g) and Condition 9.4, shall have effect as if given in respect either of the Existing Securities or of the New Micro Securities, New Individual Securities or New Index Securities (as the case may be) (together the **New Securities**) dependent upon the Commodity Contract Counterparty (the **Relevant Counterparty**) to whom a Cancellation Notice (as defined in the Facility Agreement) (the **Relevant Cancellation Notice**) had been delivered under a Facility Agreement for the purposes of the Redemption intended to be effected pursuant to such Redemption Form as determined in its absolute discretion by the Issuer. Accordingly:

- (i) for the purposes of the calculations to be made in accordance with paragraph (d), Commodity Contracts the subject of all Relevant Cancellation Notices shall be excluded, and the principal amounts and Pool Factors referred to therein shall be calculated as though all such Commodity Contracts had been terminated;
- (ii) for the purposes of the calculations to be made in accordance with paragraph (d), Commodity Contracts that have been created for the purposes of an Application that has not been completed by the issue of Micro or Commodity Securities shall be excluded, and the principal amounts and Pool Factors referred to therein shall be calculated as though all such Commodity Contracts had not been created;
- (iii) each Security Holder from whom such a Redemption Form in respect of Existing Micro Securities was received or deemed received shall not be issued New Micro Securities as provided in paragraph (b) and instead each of the Existing Micro Securities to which such Redemption Form relates shall be divided into Existing Micro Securities or New Micro Securities as are attributable to the Pool to which Commodity Contracts with the Relevant Counterparty are attributable immediately following the transfer becoming effective, each such Existing Micro Security ranking *pari passu* with and having the same principal amount and Pool Factor as the other Existing Micro Securities of that class as reduced in accordance with paragraph (d) and each such New Micro Security ranking *pari passu* with and having the same principal amount and Pool Factor as the other New Micro Securities of that class, and each such Security Holder shall hold upon such division becoming effective such number as nearly as practicable (rounded down to the nearest whole number) of Existing Micro Securities or New Micro Securities (as the case may be) as has the same aggregate principal amount as had the Existing Micro Securities in respect of which the Redemption Form related immediately prior to the division becoming effective;
- (iv) each Security Holder from whom such a Redemption Form in respect of Existing Individual Securities was received or deemed received shall not be issued New Individual Securities as provided in paragraph (b) and instead each of the Existing Individual Securities to which such Redemption Form relates shall be divided into Existing Individual Securities (and as necessary Existing Micro Securities) or New Individual Securities (and as necessary New Micro Securities) as are attributable to the Pool to which Commodity Contracts with the Relevant Counterparty are attributable immediately following the transfer becoming effective, each such Existing Individual Security ranking *pari passu* with and having the same principal amount and Pool Factor as the other Existing Individual Securities of that class as reduced in accordance with paragraph (d) and each such New Individual Security ranking *pari passu* with and having the same principal amount and Pool Factor as the other New Individual Securities of that class, and each such Security Holder shall hold upon such division becoming effective such number as nearly as practicable (rounded down to the nearest whole number) of Existing Individual Securities or New Individual Securities (as the case may be) as has the same aggregate principal amount as had the Existing Individual Securities in respect of which the Redemption Form related immediately prior to the division becoming effective; and
- (v) each Security Holder from whom such a Redemption Form in respect of Existing Index Securities was received or deemed received shall not be issued

New Index Securities as provided in paragraph (c) and instead each of the Existing Index Securities to which such Redemption Form relates shall be divided into Existing Index Securities or New Index Securities as are attributable to the Pools to which Commodity Contracts with the Relevant Counterparty are attributable immediately following the transfer becoming effective, each such Existing Index Security ranking *pari passu* with and having the same principal amount as the other Existing Index Securities of that category as reduced in accordance with paragraph (d) and each such New Index Security ranking *pari passu* with and having the same principal amount as the other New Index Securities of that category, and each such Security Holder shall hold upon such division becoming effective such number as nearly as practicable (rounded down to the nearest whole number) of Existing Index Securities or New Index Securities (as the case may be) as has the same aggregate principal amount as had the Existing Index Securities in respect of which the Redemption Form related immediately prior to the division becoming effective.

- 20.4 Without prejudice to the foregoing, the Issuer may consolidate or divide all of the Micro or Commodity Securities of any type into Micro or Commodity Securities of the same type but with a proportionately larger or smaller Principal Amount and Multiplier. The Issuer may also consolidate or divide all of the Commodity Securities of any type into Commodity Securities of the same type without adjusting their Multiplier by instead changing the number of Micro Securities of which they are comprised and hence their Principal Amount. Such consolidation or division shall be effected by deed or instrument supplemental to the Trust Instrument.
- 20.5 Whenever as a result of consolidation of Micro or Commodity Securities a Security Holder would become entitled to a fraction of a Micro or Commodity Security the Issuer will Redeem such fraction of a Micro or Commodity Security.

21. ISSUER'S ABILITY TO PURCHASE MICRO AND COMMODITY SECURITIES

There is no restriction on the ability of the Issuer or any of its Affiliates to purchase or repurchase Micro and Commodity Securities.

22. LISTING

The Issuer covenants in the Trust Instrument to use its best endeavours to obtain and, so long as any of the Micro and Commodity Securities remain outstanding, maintain a Listing for the Micro and Commodity Securities or, if it is unable to do so having used such best endeavours or if the maintenance of such listing is agreed by the Trustee to be unduly onerous, use its best endeavours to obtain and maintain the quotation or listing of the Micro and Commodity Securities on such other stock exchange as it may (with the prior written approval of the Trustee) decide.

23. WAIVER, AUTHORISATION AND DETERMINATION

The Trustee may, without prejudice to its rights in respect of any subsequent breach, but only if and in so far as, in its opinion, the interests of the Security Holders shall not be materially prejudiced thereby, waive or authorise any breach or proposed breach by the Issuer of any of the covenants or provisions contained in these Trust Instruments or the Security Deeds, or determine that any Defaulted Obligation, Issuer Insolvency Event or Counterparty Event of Default shall not be treated as such PROVIDED THAT the Trustee shall not exercise any powers conferred on it by this Condition, (a) with respect to a Defaulted Obligation, in contravention of any express direction given by the Security Holder to whom such Defaulted Obligation is owed or (b) with respect to an Issuer Insolvency Event or any Counterparty Event of Default or any other breach or proposed breach by the Issuer of any of the covenants or provisions contained in the Trust Instrument, in contravention of any express direction given by Security Holders holding not less than 25 per cent. by Price (as at the date of the last signature) of the Micro and Commodity Securities (as a whole) then outstanding or an

Extraordinary Resolution of the Security Holders (as a single class), but so that no such direction shall affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding on the Security Holders and, if, but only if, the Trustee, shall so require, shall be notified by the Issuer to the Security Holders as soon as practicable thereafter.

24. EXERCISE OF DISCRETIONS

The Trustee may exercise its discretions under the Trust Instrument separately in respect of each type of Micro and Commodity Securities, and any Further Securities in issue from time to time, and shall incur no liability for so doing.

25. PRESCRIPTION

The Trust Instrument does not provide for any prescription periods.

26. REMOVAL, RETIREMENT OR REPLACEMENT OF TRUSTEE

26.1 The Trustee may retire at any time without assigning any reason upon giving not less than three months' prior written notice to the Issuer and without being responsible for any Liabilities incurred by reason of such retirement. The Security Holders may by Extraordinary Resolution of the Security Holders (as a single class) appoint or remove any trustee or trustees for the time being of the Trust Instrument.

26.2 The Issuer will use its reasonable endeavours to appoint a new Trustee as soon as reasonably practicable after the Trustee gives notice to its retirement or being removed by Extraordinary Resolution. The retirement or removal of any Trustee shall not become effective until a successor trustee is appointed.

27. GOVERNING LAW AND JURISDICTION

The Conditions, the Micro and Commodity Securities and the Trust Instrument are governed by the laws of Jersey. The Security Deeds are governed by the laws of England. Notwithstanding the submission to the jurisdiction of the English courts contained in the Security Deeds, nothing prevents the Trustee from commencing proceedings in any other competent jurisdiction.

28. TRUSTEE'S LIABILITY

Save in the case of fraud, wilful misconduct or negligence, the Trustee (or any director, officer or employee of the Trustee) shall have no liability under the Trust Instrument for a breach of trust and save in such circumstances, no Trustee (and no director, officer or employee of the Trustee) in execution of the trusts and powers under the Trust Instrument, shall be liable for any loss arising by reason of any mistake or omission by him or by reason of any other matter or thing including fraud, gross negligence or default of another director, officer or employee or Trustee.

29. AMENDMENTS TO CONDITIONS

These Conditions may be amended as set out herein or by written agreement between the Issuer and the Trustee. Any amendment to these Conditions will be notified to Security Holders through an RIS announcement, and unless otherwise agreed by the Trustee shall not take effect until at least 30 calendar days following such announcement.

30. AMENDMENTS TO DOCUMENTS

30.1 Pursuant to the Trust Instrument, the Issuer covenants that it will not amend, vary, modify or supplement any of the Trustee Consent Documents without the prior written consent of the Trustee save where, in respect of a Facility Agreement, that amendment is at the election of the relevant Commodity Contract Counterparty to amend the terms of the Facility Agreement

to substantially conform that Facility Agreement to another Facility Agreement entered into between the Issuer and another Commodity Contract Counterparty.

- 30.2 The Issuer may by supplemental agreement or supplemental instrument or deed, as applicable, amend the Trust Instrument (including the Conditions), any Security Deeds or any of the Trustee Consent Documents (in respect of Conditions (a), (d), (h) or (i) below without the consent of the Trustee) save where, in respect of and under the terms of a Facility Agreement, that amendment is automatic or at the election of the relevant Commodity Contract Counterparty, and the Trustee agrees in the Trust Instrument to join in a supplemental agreement or supplemental instrument or deed as applicable accordingly, if one or more of the following applies:
- (a) the amendment is to substitute as debtor under a Facility Agreement or a Guarantee another person having an Acceptable Credit Rating;
 - (b) in the opinion of the Issuer and the Trustee the amendment is necessary or desirable and is not materially prejudicial to the rights of Security Holders;
 - (c) in the opinion of the Trustee, the amendment is of a formal, minor or technical nature or to correct a manifest or proven error;
 - (d) the amendment is to effect changes to any Rebalancing mechanism provided that:
 - (i) the Calculation Agent has notified the Issuer in accordance with the terms of a Facility Agreement that it has determined that such adjustments would more accurately reflect the position of a hypothetical investor seeking to track one or more of the indices embedded within the Index Securities, in which event the Issuer shall be entitled to deliver a copy of such notice to the Trustee, or otherwise give notice to the Trustee of the Calculation Agent's determination, but in each case only on the basis set out in Condition 16.4;
 - (ii) the adjustments so agreed have the consequence that at the time of the Rebalancing there is no change to the value of the Index Securities being Rebalanced; and
 - (iii) the adjustments do not take effect until at least 30 calendar days have elapsed after they are announced to Security Holders in an RIS announcement;
 - (e) the amendment is to substitute a different forward commodity index for the DJ-UBS CI-F3SM and its sub-indices and consequential changes provided that:

or if no Price was determined on that date, the most recently determined Price) of such category;

- (g) Condition (f) above does not apply to the amendment, the amendment affects only Index Securities or the method, process or rights associated with Rebalancing and the terms of the amendment are authorised by an Extraordinary Resolution of the holders of the Index Securities (as a single class) passed in accordance with the Trust Instrument or by a resolution in writing of the holders of the Index Securities holding not less than 75 per cent. by Price (as at the date of the last signature or if no Price was determined on that date, the most recently determined Price) of the Index Securities (as a whole);

- (i) Conditions (f) to (h) inclusive above do not apply to the amendment and the terms of the amendment are authorised by an Extraordinary Resolution of the Security Holders (as a single class) passed in accordance with the Trust Instrument or by a resolution in writing of Security Holders holding not less than 75 per cent. by Price (as at the date of the last signature or if no Price was determined on that date, the most recently determined Price) of the Micro and Commodity Securities (as a whole); or
