- 7.9.1 such appointment may be made either before or after the Trustee has taken possession of any of the Secured Property;
- 7.9.2 such Receiver may be vested by the Trustee with such powers and discretions (not exceeding the powers and discretions of the Trustee) as the Trustee has and may think expedient, including those listed in Clause 9, and may sell or concur in selling all or any of the Secured Property, or charge or release all or any of the Secured Property, in each case without restriction and on such terms and for such consideration (if any) as he may think fit and may carry any such transaction into effect by conveying, transferring and delivering in the name or on behalf of the Issuer or otherwise;
- 7.9.3 such Receiver shall in the exercise of his powers, authorities and discretions conform to regulations from time to time made by the Trustee;
- 7.9.4 the Trustee may from time to time fix the remuneration of such Receiver and direct payment thereof out of moneys accruing to him in the exercise of his powers as such;

- 7.9.5 the Trustee may from time to time and at any time require any such Receiver to give security for the due performance of his duties as Receiver and may fix the nature and amount of the security to be so given, but the Trustee shall not be bound in any case to require any such security;
- 7.9.6 save insofar as otherwise directed by the Trustee, all moneys from time to time received by such Receiver shall be paid over forthwith to the Trustee to be held by it in accordance with the provisions of Condition 6.2 of the Conditions; and
- 7.9.7 every such Receiver shall be the agent of the Issuer for all purposes and the Issuer alone shall be responsible for his acts, defaults and misconduct, and the Trustee and the Secured Parties shall not incur any liability therefore or by reason of its or their making or consenting to the appointment of a person as a Receiver under the Trust Deed, or the terms on which such appointment is made.
- 7.10 The Issuer shall at its own cost and expense execute and do all such assurances, acts and things as the Trustee may reasonably require (including, without limitation, the giving of notices of charge or assignment and the effecting of filings or registrations in any jurisdiction) for perfecting or protecting the Security and from time to time and at any time after an Enforcement Event, shall execute and give all such assurances and do all such acts and things as the Trustee may require (including providing the Trading Ledger and any other records it has maintained in connection with trading activity executed through the Trading Account to the Trustee) for the purpose of facilitating the realisation of, or enforcement of rights in respect of, all or any of the Secured Property and the exercise of all powers, authorities and discretions vested in the Trustee or in any Appointee.
- 7.11 The Trustee may raise and borrow money on the Secured Property or any part thereof for the purpose of defraying any moneys, costs, charges, losses and expenses paid or incurred by it in connection with this Deed (including the costs of realisation of the Secured Property and the remuneration of the Trustee) or in the exercise of any of the powers, authorities and discretions contained in these presents in relation to the Secured Property. The Trustee may raise and borrow such money at such rate of interest and generally on such terms and conditions as it shall think fit and may secure the repayment of the money so raised or borrowed with interest on the same by mortgaging or otherwise charging the Secured Property or any part thereof and either in priority to the Security constituted pursuant to these presents or otherwise and generally in such manner and form as the Trustee shall think fit and for such purposes may execute and do all such assurances, acts and things as it shall think fit.
- 7.12 The Trustee shall not nor shall any Appointee of the Trustee by reason of enforcement of the Security or any other reason whatsoever and whether as chargee or on any other basis whatsoever, be liable to account for anything except actual receipts or be liable for any loss or damage arising from realisation of, or enforcement of rights in respect of such Secured Property or any other property, assets, rights or undertakings of whatsoever nature whether or not owned by the Issuer or any other person or in which the Issuer or such other person has an interest, from any act, default or omission in relation to such Secured Property or any other property, assets, rights or undertakings of whatsoever nature whether or not owned by the Issuer or any other person or in which the Issuer or such other person has an interest, or from any exercise or non-exercise by it of any power, authority or discretion conferred upon it in relation to all or any of the Secured Property or any other property, assets, rights or undertakings of whatsoever nature whether or not owned by the Issuer or any other person or in which the Issuer or such other person has an interest, by or pursuant to this Deed.
- 7.13 The powers conferred on the Trustee or any Appointee by this Deed in relation to all or any of the Secured Property shall be in addition to and not in substitution for the powers conferred on receivers (in the case of an appointment of a Receiver) under the Law of Property Act 1925 and the Insolvency Act 1986 (including, without limitation, all of the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver)) and where there is any ambiguity or conflict between the powers contained in those Acts and those conferred by this Deed the terms of this Deed shall prevail.
- 7.14 No person dealing with the Trustee or with any Appointee appointed by the Trustee in respect of all or any of the Secured Property shall be concerned to enquire whether any event has happened upon which any of the powers, authorities and discretions conferred by or pursuant to this Deed in relation to such Secured Property or any other property, assets or undertaking are, or may be, exercisable by the Trustee or by any such Appointee or otherwise as to the propriety or regularity of acts purporting or intended to be in exercise of any such powers, authorities or discretions.

- 7.15 The provisions of sub-clauses 7.12, 7.13 and 7.14 in relation to the Trustee and any Appointee shall also apply, *mutatis mutandis*, in relation to any Receiver appointed by the Trustee.

8 PROVISIONS IN FAVOUR OF THE TRUSTEE AS REGARDS THE SECURED PROPERTY

- 8.1 The Trustee shall accept pursuant to this Deed and without investigation, requisition or objection such right and title as the Issuer may have to any of the Secured Property and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Issuer to all or any of the Secured Property, whether such defect or failure was known to the Trustee or might have been discovered upon examination or enquiry and whether capable of remedy or not.
- 8.2 Until an Enforcement Event, the Secured Property shall be dealt with in accordance with the provisions of this Deed and the Trustee shall not be responsible in such circumstances or at any other time for any loss occasioned thereby whether by depreciation in value or by fluctuation in exchange rates or otherwise.
- 8.3 The Trustee shall have no responsibility whatsoever to the Issuer or the Secured Parties as regards any deficiency which might arise because the Trustee is subject to any Tax in respect of all or any of the income it may receive pursuant to the terms of the Trust Deed or this Deed, as the case may be, or the proceeds thereof.
- 8.4 The Trustee shall not be responsible for investigating, monitoring or supervising the observance or performance by any person in respect of the Secured Property.
- 8.5 The Trustee shall not be liable for any failure, omission or defect in perfecting, protecting or further assuring the Security including (without prejudice to the generality of the foregoing) any failure, omission or defect in registering or filing or procuring registration or filing of or otherwise protecting or perfecting the Security in respect of or in relation to this Deed or the priority thereof or the right or title of any person in or to the assets comprised therein by registering under any applicable registration laws in any territory any notice or other entry prescribed by or pursuant to the provisions of any such laws.
- 8.6 The Trustee shall not be responsible for any unsuitability, inadequacy or unfitness as security for the Secured Liabilities of any of the Secured Property and shall not be obliged to make any investigation into, and shall be entitled to assume, the suitability, adequacy and fitness as security for the Secured Liabilities of the Secured Property.
- 8.7 When the Trustee is required to consider (following the creation of the Security) any matter arising under the Secured Property, it may take directions in relation thereto from the Crypto Market Securityholders by means of an Extraordinary Resolution and shall not be liable for any delay in so doing which cannot reasonably be avoided by the Trustee.
- 8.8 The Trustee may, upon a disposal of any of the Secured Property by it or any Receiver to any third party in accordance with the terms of this Deed, release such Secured Property from the Security.
- 8.9 The Trustee may rely as to any matters of fact upon any report or certificate signed and given by or on behalf of the Issuer and the information contained therein absolutely and shall be under no obligation to enquire as to the adequacy, accuracy or sufficiency of any such information or be under any obligation to make any calculations or verifications in respect of any such information. Any such certificate shall, in the absence of manifest error, be conclusive and binding for all purposes.

9 TRUSTEE'S POWERS IN RELATION TO THE SECURED PROPERTY

- 9.1 The Trustee may at any time after an Enforcement Event do any of the following acts and things in relation to the Secured Property:
- 9.1.1 demand and collect or arrange for the collection of and receive all amounts which shall from time to time become due and payable in respect of the Secured Property;
- 9.1.2 compound, give receipts and discharges for, settle and compromise any and all sums and claims for money due and to become due in respect of the Secured Property;
- 9.1.3 exercise all or any of the powers or rights which but for the creation of the Security would have been exercisable by the Issuer in respect of the Secured Property;

- 9.1.4 file any claim, take any action, or institute and prosecute or defend any legal, arbitration or other proceedings;
- 9.1.5 lodge claims and prove in and institute any insolvency proceedings of whatsoever nature relating to the Issuer;
- 9.1.6 execute, deliver, file and record any statement or other paper to create, preserve, perfect or validate the creation of the Security to enable the Trustee to exercise and enforce its rights under this Deed;
- 9.1.7 apply for, obtain, make and renew any approvals, permissions, authorisations and other consents and all registrations and filings which may be desirable or required to create or perfect the Security or to ensure the validity, enforceability or admissibility in evidence of this Deed in any jurisdiction; and
- 9.1.8 without prejudice to the generality of the foregoing, act generally in relation to the Secured Property in such manner as it may think expedient.

10 TRUSTEE'S POWERS TO BE ADDITIONAL

The powers conferred upon the Trustee by this Deed shall be in addition to any powers which may from time to time be vested in the Trustee by general law or under the Trust Deed or as a holder of any of the WisdomTree Crypto Market Securities.

11 RELEASE

If the Secured Liabilities have been irrevocably and unconditionally paid to and received by the Trustee in full, the Trustee shall at the request and cost of the Issuer, release or discharge the Secured Property from the Security.

12 NOTICES

12.1 Each communication under this Deed shall be made (by recorded delivery or courier if by post), by fax, (other than in the case of the Trustee) by electronic communication, or otherwise in writing. Each communication or document to be delivered to any party under this Deed shall be sent to that party at the fax number, postal address or (except in the case of the Trustee) electronic address, and marked for the attention of the person (if any) from time to time designated by that party for the purpose of this Deed.

Email: [REDACTED]

12.3 Any communication from any party to any other under this Deed shall be effective (if by fax) when the relevant delivery receipt is received by the sender, (if by recorded delivery or courier) on the day it is delivered and (if by electronic communication) when the relevant receipt of such communication being read is given or, where no read receipt is requested by the sender, at the time of sending, provided that no delivery failure notification is received by the sender within 24 hours of sending such communication; provided that any communication which is received (or deemed to take effect in accordance with the foregoing) outside business hours or on a non-Business Day in the place of receipt shall be deemed to take effect at the opening of business on the next following Business Day in such place. Any communication delivered to any party under this Deed which is to be sent by fax or electronic communication will be written legal evidence.

12.4 Any notice or communication delivered to the Trustee by electronic mail shall only take effect upon written confirmation of receipt from the Trustee (and, for the avoidance of doubt, an automatically generated "received" or "read receipt" will not constitute such written confirmation). The Trustee agrees to use reasonable endeavours to send written confirmations of receipt of emails promptly after receipt of such emails. Every communication shall be irrevocable save in respect of any manifest or proven error therein.

13 TRUST DEED

The Trustee shall have the benefit of all of the provisions of the Trust Deed in connection with its activities hereunder as though they were set out in this Deed in full and nothing in this Deed shall operate to limit, exclude or override any such provisions.

14 GOVERNING LAW AND SUBMISSION TO JURISDICTION

14.1 This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

14.2 The courts of England are to have non-exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Deed and accordingly any legal action or proceedings arising out of or in connection with this Deed ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objections to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is for the benefit of the Trustee and shall not limit the right of the Trustee to take Proceedings in any other court of competent jurisdictions nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

15 SERVICE OF PROCESS

The Issuer irrevocably appoints for the time being WisdomTree UK Ltd (the "**Service Agent**") of 1 King William Street, London, EC4N 7AF to receive, for it and on its behalf, service of process in any Proceedings in England. Service of process on such agent shall be deemed valid service upon the Issuer whether or not it is forwarded to and received by the Issuer. The Issuer shall inform the Trustee in writing of any change in its respective process agent's address within 28 calendar days of such change. If for any reason such process agent ceases to be able to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent in England reasonably acceptable to the Trustee and to deliver to it a copy of the substitute process agent's written acceptance of that appointment, within 14 calendar days. The Issuer irrevocably consents to any process in any Proceedings anywhere being served by mailing a copy by registered post to it in accordance with Clause 12.2. However, nothing in this Clause 15 shall affect the right to serve process in any other manner permitted by law.

16 CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

A person who is not a party to this Deed shall have no right under the Contracts (Rights of Third Parties) Act 1999 (the "**Act**") to enforce any term of this Deed, but this does not affect any rights that a person may have other than under the Act.

17 **COUNTERPARTS**

This Deed and any other document supplemental hereto may each be executed and delivered in any number of counterparts, all of which, taken together, shall constitute one and the same deed and any party to this Deed or any other document supplemental hereto may enter into the same by executing and delivering a counterpart.

18 **LIMITED RECOURSE**

Save as provided for in the Trust Deed, each Secured Party shall have recourse only to the Secured Property and any sums derived therefrom. If, the Trustee (or any other Secured Party) having realised the same, the net proceeds are insufficient for the Issuer to make all payments and meet all obligations which, but for the effect of this Clause, would then be due in respect of the WisdomTree Crypto Market Securities, the obligations of the Issuer to each Crypto Market Securityholder shall be limited to the net proceeds of realisation and neither the Trustee nor any person acting on its behalf shall be entitled to take any further steps against the Issuer to recover any further sums or property in respect of the WisdomTree Crypto Market Securities and no debt shall be owed by the Issuer to any such person in respect of any such further sum or property.

Neither the Trustee nor any Crypto Market Securityholder or any person acting on behalf of any of them may at any time bring, institute, nor join with any other person in bringing, instituting or joining, any bankruptcy, suspension of payments, moratorium of any indebtedness, winding up, re-organisation, arrangement, insolvency or liquidation proceeding or other proceeding under any similar law (whether court based or otherwise) in relation to the Issuer (except for the appointment of a receiver and manager pursuant to the relevant Security Deed and lodging claims and proving in any insolvency proceedings of whatsoever nature relating to the Issuer not instituted by it) for two years (or, if later, the longest suspense period, preference period or similar period (howsoever described) ending with the onset of insolvency in respect of which transactions entered into by the Issuer within such period may be subject to challenge under applicable insolvency or other proceeding) plus one day after the date on which all amounts payable under the last outstanding security of any class or type issued by the Issuer and constituted by the relevant Trust Deed are repaid in relation to the Issuer, nor shall they have any claim in respect of any sum arising in or other obligation in respect of the Secured Property or any other assets of the Issuer, except as otherwise provided for in the Trust Deed.

The provisions of this Clause 18 shall survive notwithstanding any enforcement or release of the Security or expiration of the Security Deed.

IN WITNESS whereof this Deed has been executed as a deed by the Issuer and the Trustee and entered into the day and year first above written.

Any such delegation may be made upon any terms (including the power to sub-delegate) which the Secured Party or any receiver may think fit.

(d) Neither the Secured Party nor any director, officer or employee of the Secured Party nor any receiver nor any director, officer or employee of the receiver will be in any way responsible or liable to any person for any cost, expense, loss or liability arising from any act, omission, default, or misconduct on the part of any delegate or sub-delegate save to the extent such loss or damage arises from the direct gross negligence or willful misconduct of the Secured Party in the selection of such delegate or sub-delegate.

17. Limitation on the Secured Party's Duty in Respect of Collateral. The Secured Party shall use reasonable care with respect to the Collateral in its possession or under its control. The powers conferred on the Secured Party hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of the Collateral in its possession and the accounting for moneys actually received by it hereunder, the Secured Party shall have no duty as to the Collateral or any income thereon, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to the Collateral, whether or not the Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to the Collateral. The Secured Party shall be deemed to

have exercised reasonable care in the custody and preservation of the Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Secured Party accords its own property.

18. Security Interest Absolute. All rights of the Secured Party and security interests hereunder, and all obligations of the Grantor hereunder, shall be absolute and unconditional irrespective of:

- (a) any lack of validity or enforceability of the Programme Documents;
- (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Liabilities, or any other amendment or waiver of or any consent to any departure from the Programme Documents including, without limitation, any increase in the Secured Liabilities resulting from the extension of additional credit to the Grantor or otherwise;
- (c) any taking, exchange, release or non-perfection of any other collateral, or any taking, release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Secured Liabilities;
- (d) any manner of application of any collateral, or proceeds thereof, to all or any of the Secured Liabilities, or any manner of sale or other disposition of any collateral for all or any part of the Secured Liabilities or any other assets of the Grantor;
- (e) any change, restructuring or termination of the corporate structure or existence of the Grantor;
- (f) any other security agreement of the Grantor; or
- (g) any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Grantor or a third party pledgor.

19. Waivers. No failure or delay by the Secured Party in exercising any right shall operate as a waiver of such right. The Secured Party expressly reserves the right to require strict compliance with the terms of this Agreement. Any waiver or indulgence granted by the Secured Party shall not constitute a modification of this Agreement, except to the extent expressly provided in such waiver or indulgence, or constitute a course of dealing by the Secured Party at variance with the terms of this Agreement such as to require further notice by the Secured Party of its intent to require strict adherence to the terms of this Agreement in the future. Any such actions shall not in any way affect the ability of the Secured Party, in its discretion, to exercise any rights available to it under this Agreement.

20. Limited Recourse.

(a) Save as provided for in the Trust Deed, each Secured Party shall have recourse only to the Secured Property (as defined in the Security Deed and any other Security Deed with respect to the WisdomTree Crypto Market Securities) and any sums derived therefrom. If, the Secured Party (or the Securityholders) having realised the same, the net proceeds are insufficient for the Grantor to make all payments and meet all obligations which, but for the effect of this Section, would then be due in respect of the WisdomTree Crypto Market Securities, the obligations of the Grantor to each Securityholder shall be limited to the net proceeds of realization and neither the Secured Party nor any person acting on its behalf shall be entitled to take any further steps against the Grantor to recover any further sums or property in respect of the WisdomTree Crypto Market Securities and no debt shall be owed by the Grantor to any such person in respect of any such further sum or property.

(b) Neither the Secured Party nor any Securityholder or any person acting on behalf of any of them may at any time bring, institute, nor join with any other person in bringing, instituting or joining, any bankruptcy, suspension of payments, moratorium of any indebtedness, winding up, re-organization, arrangement, insolvency or liquidation proceeding or other proceeding under any similar law (whether court based or otherwise) in relation to the Grantor (except for the appointment of a receiver and manager pursuant to the relevant Security Deed or this Agreement and lodging claims and proving in any insolvency proceedings of whatsoever nature relating to the Grantor not instituted by it) for two years (or, if later, the longest suspense period, preference period or similar period (howsoever described) ending with the onset of insolvency in respect of which transactions entered into by the Grantor within such period may be subject to challenge under applicable insolvency or other proceeding) plus one day after the date on which all amounts payable under the last outstanding security of any class or type issued by the Grantor and constituted by the relevant Trust Deed are repaid in relation to the Grantor, nor shall they have any claim in respect of any sum arising in or other obligation in respect of the Collateral or any other assets of the Grantor, except as otherwise provided for in the Trust Deed.

(c) The provisions of this Section 21 shall survive notwithstanding any enforcement or release of the Security or expiration of this Agreement.

21. Notice of Adverse Claims. Except for the claims and interest of the Secured Party and of the Grantor in the Account Property held in or credited to the Securities Accounts, the Securities Intermediary on the date hereof does not know of any claim to, security interest in, lien on, or encumbrance against, any Securities Account or Account Property held in or credited thereto and does not know of any claim that any person or entity other than the Secured Party has been given control (within the meaning of UCC §8-106) of any Securities Account or any such Account Property. If the Securities Intermediary becomes aware that any person or entity is asserting any lien, encumbrance, security interest or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process or any claim of

control) against any Securities Account or any Account Property held in or credited to any Securities Account, the Securities Intermediary shall promptly notify the Secured Party and the Grantor thereof.

22. Maintenance of Securities Accounts. In addition to the obligations of the Securities Intermediary in Section 3 hereof, the Securities Intermediary agrees to maintain the Securities Accounts as follows:

If at any time the Secured Party delivers to the Securities Intermediary the Notice of Sole Control instructing the Securities Intermediary to terminate Grantor's access to any Securities Account, the Securities Intermediary agrees that, after receipt of such notice and within a reasonable period of time to comply which shall not exceed two (2) business days, it will take all instruction with respect to such Securities Account solely from the Secured Party, terminate all instructions and orders originated by the Grantor with respect to the Securities Accounts or any funds or assets therein, and cease taking instructions from the Grantor, including, without limitation, instructions for distribution or transfer of any funds or assets in any Securities Account.

23. Authorization To File Financing Statements. The Grantor hereby authorizes the Secured Party, its counsel or its representative, at any time and from time to time, to file financing statements and amendments thereto relating to the security interest granted by the Grantor in Section 1 in such jurisdictions as the Secured Party may deem necessary or desirable in order to perfect the security interests granted under this Agreement. For the avoidance of doubt, the Secured Party is under no obligation to file financing statements under this Agreement.

24. Binding Effect: Assignment. The terms of this Agreement shall become effective when it has been executed by the Grantor, the Secured Party and the Securities Intermediary, and thereafter shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and permitted transferees.

25. Notices. Any notice, request or other communication required or permitted to be given under this Agreement shall be in writing and deemed to have been properly given when delivered in person, or when sent by facsimile or other electronic means and electronic confirmation of error free receipt is received or two days after being sent by certified or registered United States mail, return receipt requested, postage prepaid, addressed to the party at the address set forth below.

(a) Any notice or communication delivered to the Secured Party or the Securities Intermediary by electronic means shall only take effect upon written confirmation of receipt from the respective parties (and, for the avoidance of doubt, an automatically generated “received” or “read receipt” will not constitute such written confirmation). Each of the Secured Party and Securities Intermediary agrees to use reasonable endeavours to send written confirmations of receipt of emails promptly after receipt of such emails. Every communication shall be irrevocable save in respect of any manifest or proven error therein.

26. Termination; Survival. This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until the payment in full of the Secured Liabilities, (ii) be binding upon the Grantor and its successors and assigns, and (iii) inure, together with the rights and remedies of the Secured Party hereunder, to the benefit of the Secured Party and its successors and permitted assigns.

(a) Except as otherwise provided in this Section 26, this Agreement shall terminate, and the Security and security interest created hereby, shall be released, without any further action by any Person, when all Secured Liabilities have been fully paid and satisfied no additional WisdomTree Crypto Market Securities may be issued and no additional amounts may be drawn down under the WisdomTree Crypto Market Securities and all other Secured Liabilities then due and owing have been paid in full, at which time the Secured Party shall execute and deliver (at the expense of the Grantor) such documents as the Grantor shall reasonably request to evidence such termination and release.

(b) This Agreement may be terminated by:

(i) the Secured Party at any time by written notice to the other parties substantially in the form of Exhibit B attached hereto (a "**Notice of Termination**"), expressly stating that the Secured Party is terminating this Agreement and no longer claims any security interest in the Securities Accounts;

(ii) the Securities Intermediary, at any time by written notice delivered to the Secured Party and the Grantor not less than 30 days prior to the

effective termination date; provided, however, that this Agreement may be terminated immediately by notice from the Securities Intermediary to the Secured Party and the Grantor, should the Secured Party or Grantor fail to make payment when due to the Securities Intermediary hereunder; or

(iii) the Grantor, by Notice of Termination signed by the Grantor and the Secured Party, delivered to the Securities Intermediary not less than 30 days prior to the effective termination date.

(c) Sections 9 and 10 will survive termination of this Agreement.

(d) The Grantor will not close any Securities Account prior to termination of this Agreement without notice to the Secured Party and the transfer of all property in such Securities Account as instructed by the Secured Party. The Securities Intermediary will not close any Securities Account prior to termination of this Agreement without (i) giving notice to the Secured Party; and (ii) effecting the transfer of all property in such Securities Account as instructed by the Secured Party; provided however that if the Securities Intermediary closes any Securities Account (i) at the Grantor's instruction; or (ii) upon the termination of the Custodial Services Agreement between the Grantor and the Securities Intermediary, in each case, prior to the receipt of a Notice of Sole Control, then the Securities Intermediary shall not be required to give such notice to the Secured Party.

27. Reinstatement. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against the Grantor for liquidation, winding up or reorganization, should the Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or Secured Party be appointed for all or any significant part of the Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Liabilities, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Liabilities, whether as a "voidable preference", "fraudulent conveyance", "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment in respect of the Secured Liabilities, or any part thereof, is rescinded, reduced, restored or returned, the Secured Liabilities shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

28. Severability. If any term or provision set forth in this Agreement shall be invalid or unenforceable, the remainder of this Agreement, other than those provisions held invalid or unenforceable, shall be construed in all respects as if such invalid or unenforceable term or provision were omitted.

29. Amendments. No amendment to this Agreement will be binding on any party unless it is in writing and signed by all of the parties hereto. Any provision of this Agreement benefiting a party may be waived only by a waiver in writing signed by that party.

30. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same agreement and any party hereto may execute this Agreement by signing and delivering one or more counterparts. Delivery of an executed counterpart of a signature page to this Agreement by facsimile shall be effective as delivery of an original executed counterpart of the agreement.

UCC ARTICLE 8, PART 5

RESPONSIBILITIES OF SECURITIES INTERMEDIARY

§ 8-504. Duty of Securities Intermediary to Maintain Financial Asset.

- (a) A securities intermediary shall promptly obtain and thereafter maintain a financial asset in a quantity corresponding to the aggregate of all security entitlements it has established in favor of its entitlement holders with respect to that financial asset. The securities intermediary may maintain those financial assets directly or through one or more other securities intermediaries.
- (b) Except to the extent otherwise agreed by its entitlement holder, a securities intermediary may not grant any security interests in a financial asset it is obligated to maintain pursuant to subsection (a).
- (c) A securities intermediary satisfies the duty in subsection (a) if:
 - (1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or
 - (2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to obtain and maintain the financial asset.
- (d) This section does not apply to a clearing corporation that is itself the obligor of an option or similar obligation to which its entitlement holders have security entitlements.

§ 8-505. Duty of Securities Intermediary with Respect to Payments and Distributions.

- (a) A securities intermediary shall take action to obtain a payment or distribution made by the issuer of a financial asset. A securities intermediary satisfies the duty if:
 - (1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or
 - (2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to attempt to obtain the payment or distribution.
- (b) A securities intermediary is obligated to its entitlement holder for a payment or distribution made by the issuer of a financial asset if the payment or distribution is received by the securities intermediary.

§ 8-506. Duty of Securities Intermediary to Exercise Rights as Directed by Entitlement Holder.

A securities intermediary shall exercise rights with respect to a financial asset if directed to do so by an entitlement holder. A securities intermediary satisfies the duty if:

- (1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or
- (2) in the absence of agreement, the securities intermediary either places the entitlement holder in a position to exercise the rights directly or exercises due care in accordance with reasonable commercial standards to follow the direction of the entitlement holder.

§ 8-507. Duty of Securities Intermediary to Comply with Entitlement Order.

- (a) A securities intermediary shall comply with an entitlement order if the entitlement order is originated by the appropriate person, the securities intermediary has had reasonable opportunity to assure itself that the entitlement order is genuine and authorized, and the securities intermediary has had reasonable opportunity to comply with the entitlement order. A securities intermediary satisfies the duty if:
 - (1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or
 - (2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to comply with the entitlement order.
- (b) If a securities intermediary transfers a financial asset pursuant to an ineffective entitlement order, the securities intermediary shall reestablish a security entitlement in favor of the person entitled to it, and pay or credit any payments or distributions that the person did not receive as a result of the wrongful transfer. If the securities intermediary does not reestablish a security entitlement, the securities intermediary is liable to the entitlement holder for damages.

§ 8-508. Duty of Securities Intermediary to Change Entitlement Holder's Position to Other form of Security Holding

A securities intermediary shall act at the direction of an entitlement holder to change a security entitlement into another available form of holding for which the entitlement holder is eligible, or to cause the financial asset to be transferred to a securities account of the entitlement holder with another securities intermediary. A securities intermediary satisfies the duty if:

- (1) the securities intermediary acts as agreed upon by the entitlement holder and the securities intermediary; or
- (2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to follow the direction of the entitlement holder.

§ 8-509. Specification of Duties of Securities Intermediary by Other Statute or Regulation; Manner of Performance of Duties of Securities Intermediary and Exercise of Rights of Entitlement Holder.

- (a) If the substance of a duty imposed upon a securities intermediary by Sections 8-504 through 8-508 is the subject of other statute, regulation, or rule, compliance with that statute, regulation, or rule satisfies the duty.
- (b) To the extent that specific standards for the performance of the duties of a securities intermediary or the exercise of the rights of an entitlement holder are not specified by other statute, regulation, or rule or by agreement between the securities intermediary and entitlement holder, the securities intermediary shall perform its duties and the entitlement holder shall exercise its rights in a commercially reasonable manner.
- (c) The obligation of a securities intermediary to perform the duties imposed by Sections 8-504 through 8-508 is subject to:
 - (1) rights of the securities intermediary arising out of a security interest under a security agreement with the entitlement holder or otherwise; and
 - (2) rights of the securities intermediary under other law, regulation, rule, or agreement to withhold performance of its duties as a result of unfulfilled obligations of the entitlement holder to the securities intermediary.
- (d) Sections 8-504 through 8-508 do not require a securities intermediary to take any action that is prohibited by other statute, regulation, or rule.
