Dear Shareholder,

We are writing to you in your capacity as a shareholder of the WisdomTree Battery Solutions UCITS ETF (the "**Sub-Fund**"), a sub-fund of WisdomTree Issuer ICAV (the "**Company**").

The Sub-Fund seeks to track the price and yield performance, before fees and expenses, of the WisdomTree Battery Solutions Index (the "**Index**").

The Supplement anticipates that (a) the Index will be rebalanced on a semi-annual basis in May and November and (b) the weight of any security in the Index is capped at 3.5%, and the maximum weight of any country exposure is capped at 25% (US exposure is capped at 40%), subject to the volume factor described further in the Supplement.

We are writing to inform you that, in light of recent extreme market volatility, WisdomTree Investments, Inc. (the "**Index Sponsor**") has determined to cancel the scheduled May rebalance of the Index.

As at the date of this notice, six index constituents exceed the 3.5% cap with the largest weight at 5.9%. It is expected that this will be addressed at the next index rebalance in November 2020.

Notwithstanding the above, please note that the composition of the Index is sufficiently diversified to comply with the investment restrictions and diversification provisions applicable to the Company pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended.

Should you have any questions in relation to the above, please do not hesitate to contact WisdomTree UK Limited at infoeu@wisdomtree.com.

Yours sincerely,

For and on behalf of
WisdomTree Issuer ICAV
