| Description of Activity | <p>Over the course of the inspection, we performed procedures including but not limited to:</p> <ol style="list-style-type: none">1. Compared the records of the Custodian to the records provided by the Administrator to verify that the platinum bars are held in the name of the applicable account;2. Reconciled the total weight of platinum bullion as recorded by the Administrator to the records of the Custodian as at the Audit Reference Date;3. Visually checked each bar for the bar number, brand and purity;4. Weighed a random sample of platinum bars, equating to approximately 5 percent of the bar list. Bars were weighed in troy ounces to the nearest thousandth of an ounce. Details of each bar weighed were recorded;5. Reconciled the physical movement of bars which occurred during the inspection period between 31 December 2017 and 5 February 2018. |
| Anomalies | <p>No anomalies were identified in respect of the platinum bars as at 31 December 2017.</p> |

The audit was carried out to the best of our knowledge and this report reflects our findings as at the time and place of the audit only.
