Adjourned Meeting of the Security Holders

An explanatory letter from the Issuer giving details of the adjourned meeting is set out in this document.

Notice of an adjourned meeting of the holders of the Affected Securities to be held at the offices of R&H Fund Services (Jersey) Limited, Ordnance House, 31 Pier Road, St. Helier, Jersey, Channel Islands, JE4 8PW at 10.00 a.m. on Tuesday, 28 July 2020 is set out at the end of this document. A form of proxy for use by holders of Affected Securities is enclosed. To be valid, the form of proxy should be completed and returned, in accordance with the instructions printed thereon, so as to be received by the Registrar, Computershare Investor Services (Jersey) Limited, c/o The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible but in any event so as to arrive not less than 48 hours before the time for holding the meeting. Completion and return of a form of proxy will not preclude a holder of Affected Securities from attending and voting in person at the meeting.

Under current Jersey government guidance, businesses are advised to avoid large gatherings of people and, if physical meetings are held, businesses must put safeguards in place. The chairman of the meeting therefore reserves the right to refuse entry to the meeting to any holder of Affected Securities if, in his/her discretion, he/she considers it necessary to ensure compliance with Jersey government guidance and/or the safety of any attendees. Accordingly, the Issuer recommends that all holders of Affected Securities exercise their vote by proxy, rather than attend in person.

The Issuer wishes to ensure that holders of Affected Securities are able to vote and to raise questions on the business of the meeting. The Issuer strongly encourages holders of Affected Securities to vote on the resolution by completing the form of proxy appointing the chairman of the meeting as your proxy. Any questions on the business of the meeting should be submitted in advance of the meeting by writing to infoeu@wisdomtree.com by no later than 6.00 p.m. on Friday, 24 July 2020 and the Issuer will seek to provide written answers to them and, where appropriate, will publish answers to frequently asked questions on the Issuer's website at https://www.wisdomtree.eu/.

If holders of the Affected Securities wish to participate in the Meeting, arrangements will be made for them to listen to the proceedings of the Meeting through a teleconference facility to be specified by the chairman ahead of the Meeting. Holders of the Affected Securities should be aware that such holders who listen to the Meeting via teleconference will not form part of the Meeting and will not be able to vote or ask questions at the Meeting. Holders of the Affected Securities who wish to participate in the Meeting in this way are directed to contact the Registrar by email at #JERegistryRMs@computershare.co.je by no later than 6.00 p.m. on Sunday, 26 July 2020, and will be required to provide proof of identity in a form acceptable to
the Registrar (such as a copy passport and evidence to act on behalf of a corporate entity, if applicable). Holders of the Affected Securities may attend virtually as previously described even if the Issuer gives notice that holders of Affected Securities may attend the meeting in person.

WisdomTree would like to thank all holders of Affected Securities for their co-operation and understanding in these challenging times.

LETTER FROM THE ISSUER

WisdomTree Commodity Securities Limited
(Incorporated and registered in Jersey under the Companies (Jersey) Law 1991 (as amended) with registered number 90959. Regulated by the Jersey Financial Services Commission)

Registered office: Ordnance House, 31 Pier Road, St. Helier, Jersey JE4 8PW

15 July 2020

To all Holders of Affected Securities

Dear Security Holder

Adjourned Meeting of the Holders of the Affected Securities

This letter sets out the reasons for and further details of the Meeting.

The Meeting

In accordance with paragraph 4 of the Fourth Schedule to the Trust Instrument the meeting (the “Original Meeting”) of the Affected Security Holders convened by the Issuer by notice included in the circular (the “Original Circular”) to the Affected Security Holders dated 19 June 2020 was adjourned through lack of quorum until 10.00 a.m. on Tuesday, 28 July 2020, being a date that is not less than 13 days nor more than 42 days after the Original Meeting. The Issuer is required to give Affected Security Holders at least seven days’ notice of the Meeting and such notice can be found at the end of this document.

The Proposal to be voted on at the Meeting is the same as that set out in the Original Circular.

Further information

Set out in Part II of the Original Circular is more information in relation to the Multi-Tenor Index and a comparison with the Original Index and in Part III of the Original Circular is some background information on the terms of the Affected Securities and further details of the purpose and effect of the Extraordinary Resolution to be proposed at the Meeting. The Supplemental Trust Instrument to effect the Proposal will be substantially in the form set out in Schedule 1 to the Original Circular and the provisions of each of the Amendment Letters are set out in Schedule 2 to the Original Circular.

Action to be taken

For the Proposal to become effective, it must be sanctioned by an Extraordinary Resolution of the holders of the Affected Securities. In accordance with paragraph 19 of the Fourth Schedule to the Trust Instrument, the Security Holders have the power to sanction any modification, abrogation or compromise of, or arrangement in respect of, the rights of Security Holders against the Issuer and to authorise the Trustee to concur in and execute any supplemental trust instrument embodying such modification. The Proposal varies such rights.

The Extraordinary Resolution is an extraordinary resolution under the Trust Instrument which, to be passed, must (on a poll) be carried by a majority consisting of the holders of not less than 75 per cent. by Price (or, if no Price is determined on the date of the Meeting, the most recently determined Price) of the Affected Securities voting on the poll. The quorum for the Meeting, as a meeting adjourned through lack of a quorum, is one or more persons being holders of Affected Securities present in person or by proxy or (in the case of a holder of Affected Securities which is a corporation) by its duly authorised representative whatever the aggregate Price of the Affected Securities (or of the Micro Securities of which they are comprised) held by them.

Under current Jersey government guidance, businesses are advised to avoid large gatherings of people and, if physical meetings are held, businesses must put safeguards in place. The chairman of the Meeting
therefore reserves the right to refuse entry to the Meeting to any holder of Affected Securities if, in his/her discretion, he/she considers it necessary to ensure compliance with Jersey government guidance and/or the safety of any attendees. Accordingly, the Issuer recommends that all holders of Affected Securities exercise their vote by proxy, in the form of proxy enclosed with this circular, rather than attend in person.

Holders of the Affected Securities will find enclosed with this circular a form of proxy for use at the Meeting. In order to vote you are urged to complete the form of proxy and return it as soon as possible, and in any event so as to be received no later than 10.00 a.m. on Sunday, 26 July 2020, in accordance with the instructions set out in the form. If the form of proxy is returned without any indication as to how the person appointed proxy shall vote, the proxy, who may be a director of the Issuer, will exercise his discretion as to how he votes or whether he abstains from voting. Completing and returning a form of proxy will not preclude you from listening to the Meeting by teleconference (or attending the Meeting and voting in person if attendance is permitted by the Issuer) if you wish to do so. Security Holders listening to the Meeting by teleconference will not be able to vote by teleconference and should complete and return a form of proxy in order to vote.

Affected Security Holders should note that a duly completed form of proxy deposited in respect of the Original Meeting will continue to be valid for the Meeting unless previously revoked or superseded by a further form of proxy prior to the Meeting.

Implementation of the Proposal

The proposed amendments to the Trust Instrument to effect the Proposal will take effect, assuming that the Extraordinary Resolution is passed at the Meeting (or any adjournment thereof), once the Trustee has entered into the Supplemental Trust Instrument with the Issuer, which is expected to occur shortly after the Meeting (or any adjournment thereof), and the Issuer has made a further announcement specifying the date on which the Proposal will take effect, the Effective Date being not earlier than the day following the date of such notice.

Pursuant to the Amendment Letters entered between the Issuer and each Commodity Contract Counterparty relating to each Facility Agreement, the Amendment Letters may not become effective without the agreement thereto of each of the Commodity Contract Counterparties. If the Extraordinary Resolution is passed at the Meeting (or any adjournment thereof), it is the intention of the Issuer to nominate the Effective Date shortly thereafter, however Security Holders should note that such nomination will be subject to the consent of each of the Commodity Contract Counterparties and prevailing market conditions. If the Amendment Letters do not become effective by 31 December 2020 they will never become effective and the Proposal will lapse.

Trustee

In accordance with its normal practice, The Law Debenture Trust Corporation p.l.c., as trustee, expresses no opinion as to the merits of the Proposal, the terms of which were not negotiated by it. It has however authorised it to be stated that, on the basis of the information contained in this document (which it advises holders of Affected Securities to read carefully), it has no objection to the form in which the Proposal and Notice of the Meeting are presented to holders of Affected Securities for their consideration.

Recommendation

The Issuer considers the passing of the Extraordinary Resolution to be in the best interests of the holders of the Affected Securities as a whole and therefore recommends that such holders of Affected Securities vote in favour of the Extraordinary Resolution.

Yours sincerely

Steven Ross
