

EUROPEAN EXCHANGE TRADED PRODUCT SET CHANGES

31 July 2019

WHAT'S HAPPENING?

WisdomTree is announcing changes to its European Exchange Traded Product (ETP) set. These changes represent the final stage of the integration of ETF Securities, which was acquired April 2018.

In the coming months, the Company will rename 224 Boost ETP and ETF Securities products so they uniformly sit under the WisdomTree brand. The Company will also close 192 products that were duplicates or extraneous across the most extensive product range in Europe.

WisdomTree will continue to offer one of the most comprehensive product sets in Europe with 250 products available across commodities, equities, foreign exchange, fixed income and alternatives, after this process has completed.

WHEN WILL THESE CHANGES TAKE PLACE?

It is expected that both product closures and name changes will be complete by the 26th of September 2019.

WHICH PRODUCTS ARE CHANGING THEIR NAME AND WHY?

The products that will change their name are **listed below**. Following the acquisition of ETF Securities in April 2018 and of Boost ETPs in 2016, all ETF Securities and Boost ETP product names will be changed to uniformly sit under the WisdomTree brand.

The only product which will keep its name is Gold Bullion Securities (GBS).

WHICH PRODUCTS WILL BE CLOSING?

The full list of products that will close is **listed below**. The majority of AUM represented by these closures sits in products that are duplicated across the business. Where relevant, we have included an alternative equivalent for investors who wish to re-invest in a similar product.

IF I AM INVESTED IN A PRODUCT THAT IS CLOSING, WHAT DO I NEED TO DO?

In order to help the Products wind down their affairs, it is expected that securities will stop trading on their respective exchanges after the close of trading on or around 16 September 2019. We encourage investors to sell their securities prior to the actual liquidation of the products, and as such this should be done by the close of trading on this date.

Any holders that are still named on the register after 26 September 2019 will be compulsorily redeemed by the Issuer. For uncertificated security holders payments are expected to be made through CREST and for certificated holders payments are expected to be made via cheque sent by post.

The Issuer will only make payments to Security Holders who are named in the relevant register when the product closes. To the extent that you hold your securities through a broker, custodian or other intermediary, please contact that intermediary for information on how they will pass on the payments.

DO I NEED TO DO ANYTHING WITH MY INVESTMENTS IN RESPONSE TO THE PRODUCT RENAMING?

No. These are cosmetic changes and will not affect your investments. The products will all continue to pursue their stated investment objectives as per usual.

LIST OF PRODUCTS BEING RENAMED ON 26 SEPTEMBER 2019

This document may contain forward looking statements including statements regarding current expectations or beliefs with regards to the performance of certain assets classes and/or sectors. Forward looking statements are subject to certain risks, uncertainties and assumptions. There can be no assurance that such statements will be accurate and actual results could differ materially from those anticipated in such statements. WisdomTree strongly recommends that you do not place undue reliance on these forward-looking statements.

Any historical performance included in this document may be based on back testing. Back testing is the process of evaluating an investment strategy by applying it to historical data to simulate what the performance of such strategy would have been. However, back tested performance is purely hypothetical and is provided in this document solely for informational purposes. Back tested data does not represent actual performance and should not be interpreted as an indication of actual or future performance.
